This is Your

Excellus BluePPO
PREFERRED PROVIDER ORGANIZATION CERTIFICATE OF COVERAGE

Issued by
EXCELLUS HEALTH PLAN, INC.
A nonprofit independent licensee of the BlueCross BlueShield Association

To MADISON ONEIDA HERKIMER HEALTH CONS.

This Certificate of Coverage ("Certificate") explains the benefits available to You under a Group Contract between Excellus Health Plan, Inc. (hereinafter referred to as "We", "Us", or "Our"w) and the Group listed in the Group Contract. This Certificate is not a contract between You and Us. Amendments, riders or endorsements may be delivered with the Certificate or added thereafter.

This Certificate offers You the option to receive Covered Services on two benefit levels:

1. **In-Network Benefits.** In-network benefits are the highest level of coverage available. In-network benefits apply when Your care is provided by Participating Providers in Our Network. You should always consider receiving health care services first through the in-network benefits portion of this Certificate.

2. **Out-of-Network Benefits.** The out-of-network benefits portion of this Certificate provides coverage when You receive Covered Services from Non-Participating Providers. Your out-of-pocket expenses will be higher when You receive out-of-network benefits. In addition to Cost-Sharing, You will also be responsible for paying any difference between the Allowed Amount and the Non-Participating Provider's charge. Some Covered Services, such as Prescription Drugs, are only Covered when received from Participating Providers and are not Covered as out-of-network benefits. See the Schedule of Benefits section of this Certificate for more information.

READ THIS ENTIRE CERTIFICATE CAREFULLY. IT DESCRIBES THE BENEFITS AVAILABLE UNDER THE GROUP CONTRACT. IT IS YOUR RESPONSIBILITY TO UNDERSTAND THE TERMS AND CONDITIONS IN THIS CERTIFICATE.

This Certificate is governed by the laws of New York State.

SECTION II. How Your Coverage Works

A. Your Coverage Under this Certificate.

Your employer (referred to as the "Group") has purchased a Group health insurance Contract from Us. We will provide the benefits described in this Certificate to covered Members of the Group, that is, to employees of the Group and their covered Dependents. However, this Certificate is not a contract between You and Us. You should keep this Certificate with Your other important papers so that it is available for Your future reference.

B. Covered Services.

You will receive Covered Services under the terms and conditions of this Certificate only when the Covered Service is:

- Medically Necessary;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits section of this Certificate; and
- Received while Your Certificate is in force.

C. Participating Providers.

To find out if a Provider is a Participating Provider:

- Check Our Provider directory, available at Your request;
- Call the number on Your ID card; or
- Visit Our website.

The Provider directory will give You the following information about Our Participating Providers:

- Name, address, and telephone number;
- Specialty;
- Board certification (if applicable);
- Languages spoken;
- Whether the Provider is a Preferred Provider; and
- Whether the Participating Provider is accepting new patients.

You are only responsible for any In-Network Cost-Sharing that would apply to the Covered Services, if You receive Covered Services from a Provider who is not a Participating Provider in the following situations:

- The Provider is listed as a Participating Provider in Our online Provider directory;
- Our paper Provider directory listing the Provider as a Participating Provider is incorrect as of the date of publication;
- We give You written notice that the Provider is a Participating Provider in response to Your telephone request for network status information about the Provider; or
- We do not provide You with a written notice within one (1) business day of Your telephone request for network status information.

In these situations, if a Provider bills You for more than Your In-Network Cost-Sharing and You pay the bill, You are entitled to a refund from the Provider, plus interest.

D. The Role of Primary Care Physicians.

This Certificate does not have a gatekeeper, usually known as a Primary Care Physician ("PCP"). You do not need a Referral from a PCP before receiving Specialist care.

However, You may need to request Preauthorization before You receive certain services. See the Schedule of Benefits section of this Certificate for the services that require Preauthorization.

E. Access to Providers and Changing Providers.

Sometimes Providers in Our Provider directory are not available. You should call the Provider to make sure he or she is a Participating Provider and is accepting new patients.

To see a Provider, call his or her office and tell the Provider that You are an Excellus BlueCross BlueShield Member, and explain the reason for Your visit. Have Your ID card available. The Provider's office may ask You for Your Group or Member ID number. When You go to the Provider's office, bring Your ID card with You.

If We do not have a Participating Provider for certain provider types in the county in which You live or in a bordering county that is within approved time and distance standards, We will approve an authorization to a specific Non-Participating Provider until You no longer need the care or We have a Participating Provider in Our Network that meets the time and distance standards and Your care has been transitioned to that Participating Provider. Covered Services rendered by the Non-Participating Provider will be paid as if they were provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

F. Out-of-Network Services.

We Cover the services of Non-Participating Providers. However, some services are only Covered when You go to a Participating Provider. See the Schedule of Benefits section of this Certificate for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

G. Services Subject to Preauthorization.

Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Schedule of Benefits section of this Certificate.

H. Preauthorization Procedure.

If You seek coverage for services that require Preauthorization, You must call Us at the number on Your ID card.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available. Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and

therapeutic guidelines.

I. Failure to Seek Preauthorization.

If You fail to seek Our Preauthorization for benefits subject to this section, We will pay an amount of $500 less than We would otherwise have paid for the care, or We will pay only 50% of the amount We would otherwise have paid for the care, whichever results in a greater benefit for You. You must pay the remaining charges. We will pay the amount specified above only if We determine the care was Medically Necessary even though You did not seek Our Preauthorization. If We determine that the services were not Medically Necessary, You will be responsible for paying the entire charge for the service.

J. Medical Management.

The benefits available to You under this Certificate are subject to pre-service, concurrent and retrospective reviews to determine when services should be Covered by Us. The purpose of these reviews is to promote the delivery of cost-effective medical care by reviewing the use of procedures and, where appropriate, the setting or place the services are performed. Covered Services must be Medically Necessary for benefits to be provided.

K. Medical Necessity.

We Cover benefits described in this Certificate as long as the health care service, procedure, treatment, test, device, Prescription Drug or supply (collectively, "service") is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;

- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example, We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis or an infusion or injection of a specialty drug provided in the outpatient department of a Hospital if the drug could be provided in a Physician's office or the home setting.

See the Utilization Review and External Appeal sections of this Certificate for Your right to an internal Appeal and external appeal of Our determination that a service is not Medically Necessary.

L. Protection from Surprise Bills.

1. **Surprise Bills.** A surprise bill is a bill You receive for Covered Services in the following circumstances:

- For services performed by a Non-Participating Provider at a participating Hospital or Ambulatory Surgical Center, when:
    - A Participating Provider is unavailable at the time the health care services are performed;
    - A Non-Participating Provider performs services without Your knowledge; or
    - Unforeseen medical issues or services arise at the time the health care services are performed.

A surprise bill does not include a bill for health care services when a Participating Provider is available and You elected to receive services from a Non-Participating Provider.

- You were referred by a participating Physician to a Non-Participating Provider without Your explicit written consent acknowledging that the referral is to a Non-Participating Provider and it may result in costs not covered by Us. For a surprise bill, a referral to a Non-Participating Provider means:
    - Covered Services are performed by a Non-Participating Provider in the participating Physician's office or practice during the same visit;
    - The participating Physician sends a specimen taken from You in the participating Physician's office to a non-participating laboratory or pathologist; or
    - For any other Covered Services performed by a Non-Participating Provider at the participating Physician's request, when Referrals are required under Your Certificate

You will be held harmless for any Non-Participating Provider charges for the surprise bill that exceed Your In-Network Cost-Sharing. The Non-Participating Provider may only bill You for Your In-Network Cost-Sharing. You can sign a form to notify Us and the Non-Participating Provider that You received a surprise bill.

The form for surprise bills is available at www.dfs.ny.gov or You can visit Our website at www.excellusbcbs.com for a copy of the form. You need to mail a copy of the form to Us at the address on Your ID card and to Your Provider.

2. **Independent Dispute Resolution Process.** Either We or a Provider may submit a dispute involving a surprise bill to an independent dispute resolution entity ("IDRE") assigned by the state. The IDRE will determine whether Our payment or the Provider's charge is reasonable within 30 days of receiving the dispute.

M. Delivery of Covered Services Using Telehealth.

If Your Provider offers Covered Services using telehealth, We will not deny the Covered Services because they are delivered using telehealth. Covered Services delivered using telehealth may be subject to utilization review and quality assurance requirements and other terms and conditions of the Certificate that are at least as favorable as those requirements for the same service when not delivered using telehealth. "Telehealth" means the use of electronic information and communication technologies including telephone or video using smart phones or other devices, by a Provider to deliver Covered Services to You while Your location is different than Your Provider's location.

N. Case Management. Case management helps coordinate services for Members with health care needs due to serious, complex, and/or chronic health conditions. Our programs coordinate benefits and educate Members who agree to take part in the case management program to help meet their health-related needs.

Our case management programs are confidential and voluntary. These programs are given at no extra cost to You and do not change Covered Services. If You meet program criteria and agree to take part, We will help You meet Your identified health care needs. This is reached through contact and teamwork with You and/or Your authorized representative, treating Physician(s), and other Providers. In addition, We may assist in coordinating care with existing community-based programs and services to meet Your needs, which may include giving You information about external agencies and community-based programs and services.

In certain cases of severe or chronic illness or injury, We may provide benefits for alternate care through Our case management program that is not listed as a Covered Service. We may also extend Covered Services beyond the benefit maximums of this Certificate. We will make Our decision on a case-by-case basis if We determine the alternate or extended benefit is in the best interest of You and Us.

Nothing in this provision shall prevent You from appealing Our decision. A decision to provide extended benefits or approve alternate care in one case does not obligate Us to provide the same benefits again to You or to any other Member. We reserve the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, We will notify You or Your representative in writing.

SECTION III. Access to Care and Transitional Care

A. Authorization to a Non-Participating Provider.

If We determine that We do not have a Participating Provider that has the appropriate training and experience to treat Your condition, We will approve an authorization to an appropriate Non-Participating Provider. Your Participating Provider or You must request prior approval of the authorization to a specific Non-Participating Provider. Approvals of authorizations to Non-Participating Providers will not be made for the convenience of You or another treating Provider and may not necessarily be to the specific Non-Participating Provider You requested. If We approve the authorization, all services performed by the Non-Participating Provider are subject to a treatment plan approved by Us in consultation with Your PCP, the Non-Participating Provider and You. Covered Services rendered by the Non-Participating Provider will be covered as if they were provided by a Participating Provider. You will be responsible only for any applicable in-network Cost-Sharing. In the event an authorization is not approved, any services rendered by a Non-Participating Provider will be Covered as an out-of-network benefit if available.

B. When Your Provider Leaves the Network.

If You are in an ongoing course of treatment when Your Provider leaves Our network, then You may continue to receive Covered Services for the ongoing treatment from the former Participating Provider for up to 90 days from the date Your Provider's contractual obligation to provide services to You terminates. If You are pregnant, You may continue care with a former Participating Provider through delivery and any postpartum care directly related to the delivery.

The Provider must accept as payment the negotiated fee that was in effect just prior to the termination of Our relationship with the Provider. The Provider must also provide Us necessary medical information related to Your care and adhere to Our policies and procedures, including those for assuring quality of care, and obtaining Preauthorization, authorizations, and a treatment plan approved by Us. You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing. Please note that if the Provider was terminated by Us due to fraud, imminent harm to patients or final disciplinary action by a state board or agency that impairs the Provider's ability to practice, continued treatment with that Provider is not available.

C. New Members In a Course of Treatment.

If You are in an ongoing course of treatment with a Non-Participating Provider when Your coverage under this Certificate becomes effective, You may be able to receive Covered Services for the ongoing treatment from the Non-Participating Provider for up to 60 days from the effective date of Your coverage under this Certificate. This course of treatment must be for a life-threatening disease or condition or a degenerative and disabling condition or disease. You may also continue care with a Non-Participating Provider if You are in the second or third trimester of a pregnancy when Your coverage under this Certificate becomes effective. You may continue care through delivery and any post-partum services directly related to the delivery.

In order for You to continue to receive Covered Services for up to 60 days or through pregnancy, the Non-Participating Provider must agree to accept as payment Our fees

for such services. The Provider must also agree to provide Us necessary medical information related to Your care and to adhere to Our policies and procedures including those for assuring quality of care and obtaining Preauthorization, Referrals, and a treatment plan approved by Us. If the Provider agrees to these conditions, You will receive the Covered Services as if they were being provided by a Participating Provider. You will be responsible only for any applicable In-Network Cost-Sharing.

SECTION IV. Cost-Sharing Expenses and Allowed Amount

A. Deductible.

Except where stated otherwise, You must pay the amount in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services during each Plan Year before We provide coverage. If You have other than individual coverage, the individual Deductible applies to each person covered under this Certificate. If you have two-person coverage, after Deductible payments for both individuals total the two-Person Deductible amount in the Schedule of Benefits section of this Certificate in a Plan Year, no further Deductible will be required for any person covered under this Certificate for that Plan Year. Once a person within a family meets the individual Deductible, no further Deductible is required for the person that has met the individual Deductible for that Plan Year. However, after Deductible payments for persons covered under this Certificate collectively total the family Deductible amount in the Schedule of Benefits section of this Certificate in a Plan Year, no further Deductible will be required for any person covered under this Certificate for that Plan Year.

You have a separate In-Network and Out-of-Network Deductible. Amounts You pay for out-of-network services does not apply toward Your In-Network Deductible. Copayments and Coinsurance for in-network services does not apply toward Your Out-of-Network Deductible. **Any charges of a Non-Participating Provider that are in excess of the Allowed Amount do not apply toward the Deductible.**

Carryover Deductible

B. Copayments.

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay the Copayments, or fixed amounts, in the Schedule of Benefits section of this Certificate for Covered in-network and out-of-network Services. However, when the Allowed Amount for a service is less than the Copayment, You are responsible for the lesser amount.

C. Coinsurance.

Except where stated otherwise, after You have satisfied the Deductible as described above, You must pay a percentage of the Allowed Amount for Covered Services. We will pay the remaining percentage of the Allowed Amount as Your in-network or out-of-network benefit as shown in the Schedule of Benefits section of this Certificate. **You must also pay any charges of a Non-Participating Provider that are in excess of the Allowed Amount.**

D. Out-of-Pocket Limit.

When You have met Your Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered Services for the remainder of that Plan Year. If You have other than individual coverage once a person within a family meets the individual Out-of-Pocket Limit in the Schedule of Benefits section of this Certificate, We will provide

coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If you have two-person coverage, when both individuals have met the two-person Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for the entire family.

Cost-Sharing for out-of-network services, except for Emergency Services and out-of-network services approved by Us as an in-network exception, does not apply toward Your In-Network Out-of-Pocket Limit. The Preauthorization penalty described in the How Your Coverage Works section of this Certificate does not apply toward Your In-Network Out-of-Pocket Limit.

In addition to the Out-of-Pocket Limit applicable to Your health coverage, You have a separate Out-of-Pocket Limit for Your Prescription Drug coverage. The following provisions are applicable to the Out-of-Pocket Limit under Your Prescription Drug coverage only:

When You have met Your separate Out-of-Pocket Limit in payment of Cost-Sharing for Prescription Drugs that You purchase from a retail or mail service Participating or Non-Participating Pharmacy in a Plan Year in the Schedule of Benefits Section of this Certificate, We will provide coverage for 100% of the Allowed Amount for Covered Prescription Drugs for the remainder of the Plan Year. If You have other than individual coverage, once a person within a family meets the individual Out-of-Pocket Limit in the Schedule of Benefits Section of this Certificate, applies to each person covered under in the Schedule of Benefits section of this Certificate. Once a person within a family meets the individual Out-of-Pocket Limit, We will provide coverage for 100% of the Allowed Amount for the rest of that Plan Year for that person. If other than individual coverage applies, when persons in the same family covered under this Certificate have collectively met the family Out-of-Pocket Limit in payment of Cost-Sharing for a Plan Year in the Schedule of Benefits section of this Certificate, We will provide coverage for 100% of the Allowed Amount for covered Prescription Drugs for the rest of that Plan Year.

Any charges of a Non-Participating Pharmacy that are in excess of the Allowed Amount do not apply towards Your Out-of-Pocket Limit.

E. Your Additional Payments for Out-of-Network Benefits.

When You receive Covered Services from a Non-Participating Provider, in addition to the applicable Copayments, Deductibles and Coinsurance described in the Schedule of Benefits section of this Certificate, You must also pay the amount, if any, by which the Non-Participating Provider's actual charge exceeds Our Allowed Amount. This means that the total of Our coverage and any Cost-Sharing amounts You pay may be less than the Non-Participating Provider's actual charge.

When You receive Covered Services from a Non-Participating Provider, We will apply

nationally-recognized payment rules to the claim submitted for those services. These rules evaluate the claim information and determine the accuracy of the procedure codes and diagnosis codes for the services You received. Sometimes, applying these rules will change the way that We pay for the services. This does not mean that the services were not Medically Necessary. It only means that the claim should have been submitted differently. For example, Your Provider may have billed using several procedure codes when there is a single code that includes all of the separate procedures. We will make one (1) inclusive payment in that case, rather than a separate payment for each billed code. Another example of when We will apply the payment rules to a claim is when You have surgery that involves two (2) surgeons acting as "co-surgeons". Under the payment rules, the claim from each Provider should have a "modifier" on it that identifies it as coming from a co-surgeon. If We receive a claim that does not have the correct modifier, We will change it and make the appropriate payment.

F. Allowed Amount.

"Allowed Amount" means the maximum amount We will pay for the services or supplies Covered under this Certificate, before any applicable Copayment, Deductible and Coinsurance amounts are subtracted. We determine Our Allowed Amount as follows:

The Allowed Amount for Participating Providers will be determined as follows:

1. Participating Facilities in Our Service Area.
For a participating Facility in Our Service Area, the Allowed Amount will be the amount We have negotiated with the Facility.

2. For All Other Participating Providers in Our Service Area.
For all other Participating Providers in Our Service Area, the Allowed Amount will be the amount We have negotiated with the Participating Provider or the Participating Provider's charge, if less.

3. Participating Facilities Outside Our Service Area.
For a participating Facility outside Our Service Area, the Allowed Amount will be the amount We have negotiated with the Facility, or the amount approved by another Blue Cross and/or Blue Shield plan.

4. For All Other Participating Providers Outside Our Service Area.
For all other Participating Providers outside Our Service Area, the Allowed Amount will be the amount We have negotiated with the Participating Provider, or the amount approved by another Blue Cross and/or Blue Shield plan or the Participating Provider's charge, if less.

However, when the Participating Provider's charge is less than the amount we have negotiated with the Participating Provider, Your Copayment, Deductible or Coinsurance amount will be based on the Participating Provider's charge.

The Allowed Amount for Non-Participating Providers will be determined as follows:

1. Facilities in Our Service Area.
For Facilities in Our Service Area, the Allowed Amount will be an amount based on Our

Participating Provider negotiated rate or the Facility's charge, if less.

2. **Facilities Outside Our Service Area.**
   For Facilities outside Our Service Area, the Allowed Amount will be an amount based on Our Participating Provider negotiated rate, or the Facility's charge, if less.

3. **For a Health Care Professional or a Provider of Additional Health Services in Our Service Area.**
   For a Health Care Professional or a Provider of Additional Health Services in Our Service Area, the Allowed Amount will be the amount based on Our Participating Provider fee schedule or rate, or the Provider's charge, if less.

4. **For a Health Care Professional or a Provider of Additional Health Services Outside Our Service Area.**
   For a Health Care Professional or a Provider of Additional Health Services outside Our Service Area, the Allowed Amount will be the 90th percentile of the Usual, Customary and Reasonable (UCR) rate or charge, as supplied by FAIR Health, or the Provider's charge, if less.

5. **Physician-Administered Pharmaceuticals.**
   For Physician-administered pharmaceuticals, We use gap methodologies that are similar to the pricing methodology used by the Centers for Medicare and Medicaid Services, and produce fees based on published acquisition costs or average wholesale price for the pharmaceuticals. These methodologies are currently created by RJ Health Systems, Thomson Reuters (published in its Red Book), or Us based on an internally developed pharmaceutical pricing resource if the other methodologies have no pricing data available for a Physician-administered pharmaceutical or special circumstances support an upward adjustment to the other pricing methodology.

   The Non-Participating Provider's actual charge may exceed Our Allowed Amount. You must pay the difference between Our Allowed Amount and the Non-Participating Provider's charge. Contact Us at the number on Your ID card or visit Our website for information on Your financial responsibility when You receive services from a Non-Participating Provider.

   We reserve the right to negotiate a lower rate with Non-Participating Providers or to pay a Blue Cross and/or Blue Shield host plan's rate, if lower.
   See the Emergency Services and Urgent Care section of this Certificate for the Allowed Amount for Emergency Services rendered by Non-Participating Providers. See the Ambulance and Pre-Hospital Emergency Medical Services section of this Certificate for the Allowed Amount for air ambulance and Pre-Hospital Emergency Medical Services rendered by Non-Participating Providers.

A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order. Foster children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, intellectual disability (as defined in the New York Mental Hygiene Law), or physical disability and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in

Your coverage and proof of the Child's incapacity. We have the right to check whether a Child qualifies and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Subscriber and all other prospective or covered Members in relation to eligibility for coverage under this Certificate at any time.

4. If You, the Subscriber, have a newborn or adopted newborn Child and We receive notice of such birth within 30 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 30 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/ children or family coverage and pay any additional Premium within 30 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice provided that You pay any additional Premium when due.

However, Cost-Sharing may apply to services provided during the same visit as the preventive services. Also, if a preventive service is provided during an office visit wherein the preventive service is not the primary purpose of the visit, the Cost-Sharing amount that would otherwise apply to the office visit will still apply. SECTION VII. Ambulance and Pre-Hospital Emergency Medical Services

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization requirements that apply to these benefits. Pre-Hospital Emergency Medical Services and ambulance services for the treatment of an Emergency Condition do not require Preauthorization.

A. Emergency Ambulance Transportation.

1. Pre-Hospital Emergency Medical Services.

We Cover Pre-Hospital Emergency Medical Services worldwide for the treatment of an Emergency Condition when such services are provided by an ambulance service.

"Pre-Hospital Emergency Medical Services" means the prompt evaluation and treatment of an Emergency Condition and/or non-airborne transportation to a Hospital. The services must be provided by an ambulance service issued a certificate under the New York Public Health Law. We will, however, only Cover transportation to a Hospital provided by such an ambulance service when a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of such transportation to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
  - Serious impairment to such person's bodily functions;
  - Serious dysfunction of any bodily organ or part of such person; or
  - Serious disfigurement of such person.

An ambulance service must hold You harmless and may not charge or seek reimbursement from You for Pre-Hospital Emergency Medical Services except for the collection of any applicable Copayment, Deductible or Coinsurance. In the absence of negotiated rates, We will pay a Non-Participating Provider the usual and customary charge for Pre-Hospital Emergency Medical Services, which shall not be excessive or unreasonable. The usual and customary charge for Pre-Hospital Emergency Medical Services is the FAIR Health rate at the 80th percentile calculated using the place of pickup.

2. Emergency Ambulance Transportation. In addition to Pre-Hospital Emergency Medical Services. We also Cover emergency ambulance transportation worldwide by a licensed ambulance service (either ground, water or air ambulance) to the nearest Hospital where Emergency Services can be performed. This coverage includes emergency ambulance transportation to a Hospital when the originating Facility does not have the ability to treat Your Emergency Condition.

B. Non-Emergency Ambulance Transportation.

We Cover non-emergency ambulance transportation by a licensed ambulance service (either ground or air ambulance, as appropriate) between Facilities when the transport is any of the following:

- From a non-participating Hospital to a participating Hospital;

- To a Hospital that provides a higher level of care that was not available at the original Hospital;
- To a more cost-effective Acute care Facility; or

From an Acute care Facility to a sub-Acute setting.

C. Limitations/Terms of Coverage.

- We do not Cover travel or transportation expenses unless connected to an Emergency Condition or due to a Facility transfer approved by Us, even though prescribed by a Physician.
- We do not Cover non-ambulance transportation such as ambulette, van or taxi cab.
- Coverage for air or water ambulance related to an Emergency Condition or air or water ambulance related to non-emergency transportation is provided when Your medical condition is such that transportation by land ambulance is not appropriate; **and** Your medical condition requires immediate and rapid ambulance transportation that cannot be provided by land ambulance; **and** one (1) of the following is met:
    - The point of pick-up is inaccessible by land vehicle; or
    - Great distances or other obstacles (e.g. heavy traffic) prevent Your timely transfer to the nearest Hospital with appropriate facilities.

D. Payments for Air Ambulance Services. We will pay a Participating Provider the amount We have negotiated with the Participating Provider for the air ambulance services.

We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the air ambulance service or an amount We have determined is reasonable for the air ambulance service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

If a dispute involving a payment for air ambulance services is submitted to an independent dispute resolution entity (IDRE), We will pay the amount, if any, determined by the IDRE for the air ambulance services.

You are responsible for any Cost-Sharing for air ambulance services. The Non-Participating Provider may only bill You for Your Cost-Sharing. If You receive a bill from a Non-Participating Provider that is more than Your Cost-Sharing, You should contact Us.

SECTION VIII. Emergency Services and Urgent Care

Please refer to the Schedule of Benefits section of this Certificate for Cost-Sharing requirements, day or visit limits, and any Preauthorization requirements that apply to these benefits.

A. Emergency Services.

We Cover Emergency Services for the treatment of an Emergency Condition in a Hospital.

We define an "**Emergency Condition"** to mean: A medical or behavioral condition that manifests itself by Acute symptoms of sufficient severity, including severe pain, such that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the person afflicted with such condition or, with respect to a pregnant woman, the health of the woman or her unborn child in serious jeopardy, or in the case of a behavioral condition, placing the health of such person or others in serious jeopardy;
- Serious impairment to such person's bodily functions;
- Serious dysfunction of any bodily organ or part of such person; or
- Serious disfigurement of such person.

For example, an Emergency Condition may include, but is not limited to, the following conditions:

- Severe chest pain
- Severe or multiple injuries
- Severe shortness of breath
- Sudden change in mental status (e.g., disorientation)
- Severe bleeding
- Acute pain or conditions requiring immediate attention such as suspected heart attack or appendicitis
- Poisonings
- Convulsions

Coverage of Emergency Services for treatment of Your Emergency Condition will be provided regardless of whether the Provider is a Participating Provider. We will also Cover Emergency Services to treat Your Emergency Condition worldwide. However, We will Cover only those Emergency Services and supplies that are Medically Necessary and are performed to treat or stabilize Your Emergency Condition in a Hospital.

Please follow the instructions listed below regardless of whether or not You are in Our Service Area at the time Your Emergency Condition occurs.

1. **Hospital Emergency Department Visits.** In the event that You require treatment for an Emergency Condition, seek immediate care at the nearest Hospital emergency department or call 911. Emergency Department Care does not require Preauthorization. However, **only Emergency Services for the treatment of an Emergency Condition are Covered in an emergency department**.

   We do not Cover follow-up care or routine care provided in a Hospital emergency

department.

2. **Emergency Hospital Admissions**. We Cover inpatient Hospital services following Emergency Department Care at a non-participating Hospital at the In-Network Cost-Sharing. If Your medical condition permits Your transfer to a participating Hospital, We will notify You and arrange the transfer.

3. **Payments Relating to Emergency Services.** We will pay a Participating Provider the amount We have negotiated with the Participating Provider for Emergency Services.

   We will pay a Non-Participating Provider the amount We have negotiated with the Non-Participating Provider for the Emergency Service or an amount We have determined is reasonable for the Emergency Service. However, the negotiated amount or the amount We determine is reasonable will not exceed the Non-Participating Provider's charge.

   For a list of diabetic Prescription Drugs, supplies, and equipment that need Preauthorization, please visit Our website or call the number on Your ID card. These changes will be made following notice to affected Members.

6. **Diabetic Drug Utilization, Cost Management and Rebates**. We conduct various utilization management activities designed to ensure appropriate diabetic Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective

drugs. Through these efforts, You benefit by obtaining appropriate diabetic Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the Premiums for Your coverage. We may also, from time to time, enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from diabetic Prescription Drug manufacturers, diabetic Prescription Drug distributors or others. Any rebates are based upon utilization of diabetic Prescription Drugs across all of Our business and not solely on any one Member's utilization of diabetic Prescription Drugs. Any rebates received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription Drug premiums. Any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates may change or reduce the amount of any Copayment or Coinsurance applicable under Our diabetic Prescription Drug coverage. Not all diabetic Prescription Drugs are eligible for a rebate, and rebates can be discontinued or applied at any time based on the terms of the rebate agreements. Because the exact value of the rebate will not be known at the time You purchase the diabetic Prescription Drug, the amount of the rebate applied to Your claim will be based on an estimate. Payment on Your claim and Your Cost-Sharing will not be adjusted if the later-determined rebate value is higher or lower than Our estimate.

You may request a copy of Our Formulary. Our Formulary is also available on Our website. You may inquire if a specific drug is Covered under this Certificate by contacting Us at the number on Your ID card.

B. Refills. We Cover Refills of Prescription Drugs only when dispensed at a retail or mail order or designated pharmacy as ordered by an authorized Provider and only after ¾ of the original Prescription Drug has been used. Benefits for Refills will not be provided beyond one (1) year from the original prescription date. For prescription eye drop medication, We allow for the limited refilling of the prescription prior to the last day of the approved dosage period without regard to any coverage restrictions on early Refill of renewals. To the extent practicable, the quantity of eye drops in the early Refill will be limited to the amount remaining on the dosage that was initially dispensed. Your Cost-Sharing for the limited Refill is the amount that applies to each prescription or Refill as set forth in the Schedule of Benefits section of this Certificate.

C. Benefit and Payment Information.

1. **Cost-Sharing Expenses.** You are responsible for paying the costs outlined in the Schedule of Benefits section of this Certificate when Covered Prescription Drugs are obtained from a retail, mail order or designated pharmacy.

You have a three (3) tier plan design, which means that Your out-of-pocket expenses will generally be lowest for Prescription Drugs on tier one and highest for Prescription Drugs on tier three. Your out-of-pocket expense for Prescription Drugs on tier two will generally be more than for tier one but less than tier three.

For most Prescription Drugs, You pay only the Cost-Sharing in the Schedule of Benefits. An additional charge, called an "ancillary charge," may apply to some Prescription Drugs when a Prescription Drug on a higher tier is dispensed at Your or Your Provider's request, and Our formulary includes a chemically equivalent Prescription Drug on a lower tier. You will pay the difference between the full cost of the Prescription Drug on the higher tier and the cost of the Prescription Drug on the lower tier. The cost difference is not Covered and must be paid by You in addition to the lower tier Cost-Sharing. If Your Provider thinks that a chemically equivalent Prescription Drug on a lower tier is not clinically appropriate, You, Your designee or Your Provider may request that We approve coverage at the higher tier Cost-Sharing. If approved, You will pay the higher tier Cost-Sharing only. If We do not approve coverage at the higher tier Cost-Sharing, You are entitled to an Appeal as outlined in the Utilization Review and External Appeal sections of this Certificate. The request for an approval should include a statement from Your Provider that the Prescription Drug at the lower tier is not clinically appropriate (e.g., it will be or has been ineffective or would have adverse effects.) We may also request clinical documentation to support this statement. If We do not approve coverage for the Prescription Drug on the higher tier, the ancillary charge will not apply toward Your Out-of-Pocket Limit.

You are responsible for paying the full cost (the amount the pharmacy charges You) for any non-Covered Prescription Drug and Our contracted rates (Our Prescription Drug Cost) will not be available to You.

2. **Participating Pharmacies.** For Prescription Drugs purchased at a retail or mail order or designated Participating Pharmacy, You are responsible for paying the lower of:
   - The applicable Cost-Sharing; or
   - The Prescription Drug Cost for that Prescription Drug.

   (Your Cost-Sharing will never exceed the Usual and Customary Charge of the Prescription Drug.)

   In the event that Our Participating Pharmacies are unable to provide the Covered Prescription Drug, and cannot order the Prescription Drug within a reasonable time, You may, with Our prior approval, go to a Non-Participating Pharmacy that is able to provide the Prescription Drug. We will pay You the Prescription Drug Cost for such approved Prescription Drug less Your required In-Network Cost-Sharing upon receipt of a complete Prescription Drug claim form. Contact Us at the number on Your ID card or visit Our website to request approval.

3. **Non-Participating Pharmacies.** We will not pay for any Prescription Drugs that You purchase at a Non-Participating retail or mail order Pharmacy other than as described above.

4. **Designated Pharmacies.** If You require certain Prescription Drugs including, but not limited to specialty Prescription Drugs, We may direct You to a Designated Pharmacy with whom We have an arrangement to provide those Prescription Drugs. However, We will provide benefits that apply to Prescription Drugs dispensed by a Designated Pharmacy to Prescription Drugs that are purchased from a retail pharmacy when that retail pharmacy is a Participating Pharmacy and agrees to the same reimbursement amount as the Designated Pharmacy.

   Generally, specialty Prescription Drugs are Prescription Drugs that are approved to treat limited patient populations or conditions; are normally injected, infused or require close monitoring by a Provider; or have limited availability, special dispensing and delivery requirements and/or require additional patient supports.

   If You are directed to a Designated Pharmacy and You choose not to obtain Your Prescription Drug from a Designated Pharmacy, You will not have coverage for that Prescription Drug.

    To maximize Your benefit, ask Your Provider to write Your Prescription Order or Refill for a 90-day supply, with Refills when appropriate (not a 30-day supply with three (3) Refills). You will be charged the mail order Cost-Sharing for any Prescription Orders or Refills sent to the mail order pharmacy regardless of the number of days supply written on the Prescription Order or Refill.

    Prescription Drugs purchased through mail order will be delivered directly to Your home or office.

    We will provide benefits that apply to Prescription Drugs dispensed by a mail order pharmacy to Prescription Drugs that are purchased from a retail pharmacy when that retail pharmacy is a Participating Pharmacy and agrees to the same reimbursement amount as a participating mail order pharmacy.

    You or Your Provider may obtain a copy of the list of Prescription Drugs available through mail order by visiting Our website or by calling the number on Your ID card.

6. **Formulary Changes.** Our Formulary is subject to Our periodic review and modification. However, a Prescription Drug will not be removed from Our Formulary during the Plan Year, except when the FDA determines that such Prescription Drug should be removed from the market. Before We remove a Prescription Drug from Our Formulary at the beginning of the upcoming Plan Year, We will provide at least 90 days' notice prior to the start of the Plan Year. We will also post such notice on Our website.

    We will not add utilization management restrictions (e.g., step therapy or Preauthorization requirements) to a Prescription Drug on Our Formulary during a Plan Year unless the requirements are added pursuant to FDA safety concerns.

7. **Tier Status.** A Prescription Drug will not be moved to a tier with a higher Cost-Sharing during the Plan Year, except a Brand-Name Drug may be moved to a tier with higher Cost-Sharing if an AB-rated generic equivalent or interchangeable biological product for that Prescription Drug is added to the Formulary at the same time. Additionally, a Prescription Drug may be moved to a tier with a higher Copayment during the Plan Year, although the change will not apply to You if You are already taking the Prescription Drug or You have been diagnosed or presented with a condition on or prior to the start of the Plan Year which is treated by such Prescription Drug or for which the Prescription Drug is or would be part of Your treatment regimen.

    Before We move a Prescription Drug to a different tier, We will provide at least 90 days' notice prior to the start of the Plan Year. We will also post such notice on Our website. If a Prescription Drug is moved to a different tier during the Plan Year for one of reasons

described above, We will provide at least 30 days' notice before the change is effective. You will pay the Cost-Sharing applicable to the tier to which the Prescription Drug is assigned. You may access the most up to date tier status on Our website or by calling the number on Your ID card.

8. **Formulary Exception Process.** If a Prescription Drug is not on Our Formulary, You, Your designee or Your prescribing Health Care Professional may request a Formulary exception for a clinically-appropriate Prescription Drug in writing, electronically or telephonically. If coverage is denied under Our standard or expedited Formulary exception process, You are entitled to an external appeal as outlined in the External Appeal section of this Certificate. Visit Our website or call the number on Your ID card to find out more about this process.

   Standard Review of a Formulary Exception. We will make a decision and notify You or Your designee and the prescribing Health Care Professional by telephone no later than 72 hours after Our receipt of Your request. We will notify You in writing within three (3) business days of receipt of Your request. If We approve the request, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

   Expedited Review of a Formulary Exception. If You are suffering from a health condition that may seriously jeopardize Your health, life or ability to regain maximum function or if You are undergoing a current course of treatment using a non-Formulary Prescription Drug, You may request an expedited review of a Formulary exception. The request should include a statement from Your prescribing Health Care Professional that harm could reasonably come to You if the requested drug is not provided within the timeframes for Our standard Formulary exception process. We will make a decision and notify You or Your designee and the prescribing Health Care Professional by telephone no later than 24 hours after Our receipt of Your request. We will notify You in writing within three (3) business days of receipt of Your request. If We approve the request, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-Formulary Prescription Drug.

9. **Supply Limits.** Except for contraceptive drugs, devices, or products, We will pay for no more than a 30-day supply of a Prescription Drug purchased at a retail pharmacy or Designated Pharmacy. You are responsible for one (1) Cost-Sharing amount for up to a 30-day supply.

   You may have the entire supply (of up to 12 months) of the contraceptive drug, device or product dispensed at the same time. Contraceptive drugs, devices or products are not subject to Cost-Sharing when provided by a Participating Pharmacy.

   Benefits will be provided for Prescription Drugs dispensed by a mail order pharmacy in a quantity of up to a 90-day supply. You are responsible for one (1) Cost-Sharing amount for a 30-day supply up to a maximum of two (2) Cost-Sharing amounts for a 90-day supply.

Some Prescription Drugs may be subject to quantity limits based on criteria that We have developed, subject to Our periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply. You can determine whether a Prescription Drug has been assigned a maximum quantity level for dispensing by accessing Our website or by calling the number on Your ID card. If We deny a request to Cover an amount that exceeds Our quantity level, You are entitled to an Appeal pursuant to the Utilization Review and External Appeal sections of this Certificate.

10. **Initial Limited Supply of Prescription Opioid Drugs.** If You receive an initial limited prescription for a seven (7) day supply or less of any schedule II, III, or IV opioid prescribed for Acute pain, and You have a Copayment, Your Copayment will be prorated. If You receive an additional supply of the Prescription Drug within the 30-day period in which You received the seven (7) day supply, Your Copayment for the remainder of the 30-day supply will also be prorated. In no event will the prorated Copayment(s) total more than Your Copayment for a 30-day supply.

11. **Cost-Sharing for Orally-Administered Anti-Cancer Drugs.** Your Cost-Sharing for orally-administered anti-cancer drugs is at least as favorable to You as the Cost-Sharing amount, if any, that applies to intravenous or injected anticancer medications Covered under the Outpatient and Professional Services section of this Certificate.

12. **Split Fill Dispensing Program.** The split fill dispensing program is designed to prevent wasted Prescription Drugs if Your Prescription Drug or dose changes. The Prescription Drugs that are included under this program have been identified as requiring more frequent follow up to monitor response to treatment and reactions. You will initially get up to a 15-day supply of Your Prescription Order for certain drugs filled at a Designated Pharmacy instead of the full Prescription Order. You initially pay a lesser Cost-Sharing based on what is dispensed. The therapeutic classes of Prescription Drugs that are included in this program are: Oncology,; orphan drugs,; inflammatory agents; and Multiple Sclerosis. This program applies for the first 60 days when You start a new Prescription Drug. This program will not apply upon You or Your Provider's request. You or Your Provider can opt out by visiting Our website or by calling the number on Your ID card.

D. Medical Management. This Certificate includes certain features to determine when Prescription Drugs should be Covered, which are described below. As part of these features, Your prescribing Provider may be asked to give more details before We can decide if the Prescription Drug is Medically Necessary.

1. **Preauthorization.** Preauthorization may be needed for certain Prescription Drugs to make sure proper use and guidelines for Prescription Drug coverage are followed. When appropriate, ask Your Provider to complete a Preauthorization form. Preauthorization is not required for Covered medications to treat substance use disorder, including opioid overdose reversal medications prescribed or dispensed to You.

   For a list of Prescription Drugs that need Preauthorization, please visit Our website or call the number on Your ID card. The list will be reviewed and updated from time to

time. We also reserve the right to require Preauthorization for any new Prescription Drug on the market. However, We will not ass Preauthorization requirements to a Prescription Drug on Our Formulary during a Plan Year unless the requirements are added pursuant to FDA safety concerns. Your Provider may check with Us to find out which Prescription Drugs are Covered.

2. **Step Therapy**. Step therapy is a process in which You may need to use one (1) or more types of Prescription Drugs before We will Cover another as Medically Necessary. A "step therapy protocol" means Our policy, protocol or program that establishes the sequence in which We approve Prescription Drugs for Your medical condition. When establishing a step therapy protocol, We will use recognized evidence-based and peer reviewed clinical review criteria that also takes into account the needs of atypical patient populations and diagnoses. We check certain Prescription Drugs to make sure that proper prescribing guidelines are followed. These guidelines help You get high quality and cost-effective Prescription Drugs. The Prescription Drugs that require Preauthorization under the step therapy program are also included on the Preauthorization drug list. If a step therapy protocol is applicable to Your request for coverage of a Prescription Drug, You, Your designee, or Your Health Care Professional can request a determination as outlined in the Utilization Review section of this Certificate. We will not add step therapy requirements to a Prescription Drug on Our Formulary during a Plan Year unless the requirements are added pursuant to FDA concerns.

E. Limitations/Terms of Coverage.

1. We reserve the right to limit quantities, day supply, early Refill access and/or duration of therapy for certain medications based on Medical Necessity including acceptable medical standards and/or FDA recommended guidelines.

2. If We determine that You may be using a Prescription Drug in a harmful or abusive manner, or with harmful frequency, Your selection of Participating Pharmacies may be limited. If this happens, We may require You to select a single Participating Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if You use the selected single Participating Pharmacy. If You do not make a selection within 31 days of the date We notify You, We will select a single Participating Pharmacy for You.

3. Compounded Prescription Drugs will be Covered only when the primary ingredient is a Covered legend Prescription Drug, they are not essentially the same as a Prescription Drug from a manufacturer and are obtained from a pharmacy that is approved for compounding. All compounded Prescription Drugs over $125 require Your Provider to obtain Preauthorization. Compounded Prescription Drugs are on tier three.

4. Various specific and/or generalized “use management” protocols will be used from time to time in order to ensure appropriate utilization of medications. Such protocols will be consistent with standard medical/drug treatment guidelines. The primary goal of the protocols is to provide Our Members with a quality-focused Prescription Drug benefit. In the event a use management protocol is implemented, and You are taking the drug(s) affected by the protocol, You will be notified in advance.

5. Injectable drugs (other than self-administered injectable drugs) and diabetic insulin, oral hypoglycemics, and diabetic supplies and equipment are not Covered under this section but are Covered under other sections of this Certificate.

6. We do not Cover charges for the administration or injection of any Prescription Drug. Prescription Drugs given or administered in a Physician's office are Covered under the Outpatient and Professional Services section of this Certificate.

7. We do not Cover drugs that do not by law require a prescription, except for smoking cessation, drugs over-the-counter preventive drugs or devices provided in accordance with the comprehensive guidelines supported by HRSA or with an "A" or "B" rating from USPSTF or as otherwise provided in this Certificate. We do not Cover Prescription Drugs that have over-the-counter non-prescription equivalents, except if specifically designated as Covered in the drug Formulary. Non-prescription equivalents are drugs available without a prescription that have the same name/chemical entity as their prescription counterparts. We do not Cover repackaged products such as therapeutic kits or convenience packs that contain a Covered Prescription Drug unless the Prescription Drug is only available as part of a therapeutic kit or convenience pack. Therapeutic kits or convenience packs contain one or more Prescription Drug(s) and may be packaged with over-the-counter items, such as gloves, finger cots, hygienic wipes or topical emollients.

8. We do not Cover Prescription Drugs to replace those that may have been lost or stolen.

9. We do not Cover Prescription Drugs dispensed to You while in a Hospital, nursing home, other institution, Facility, or if You are a home care patient, except in those cases where the basis of payment by or on behalf of You to the Hospital, nursing home, Home Health Agency or home care services agency, or other institution, does not include services for drugs.

10. We reserve the right to deny benefits as not Medically Necessary or experimental or investigational for any drug prescribed or dispensed in a manner contrary to standard medical practice. If coverage is denied, You are entitled to an Appeal as described in the Utilization Review and External Appeal sections of this Certificate.

11. A pharmacy need not dispense a Prescription Order that, in the pharmacist's professional judgment, should not be filled.

F. General Conditions.

1. You must show Your ID card to a retail pharmacy at the time You obtain Your Prescription Drug or You must provide the pharmacy with identifying information that can be verified by Us during regular business hours. You must include Your identification number on the forms provided by the mail order pharmacy from which You make a purchase.

2. **Drug Utilization, Cost Management and Rebates.** We conduct various utilization management activities designed to ensure appropriate Prescription Drug usage, to avoid inappropriate usage, and to encourage the use of cost-effective drugs. Through

these efforts, You benefit by obtaining appropriate Prescription Drugs in a cost-effective manner. The cost savings resulting from these activities are reflected in the Premiums for Your coverage. We may also, from time to time, enter into agreements that result in Us receiving rebates or other funds ("rebates") directly or indirectly from Prescription Drug manufacturers, Prescription Drug distributors or others. Any rebates are based upon utilization of Prescription Drugs across all of Our business and not solely on any one Member's utilization of Prescription Drugs. Any rebates received by Us may or may not be applied, in whole or part, to reduce premiums either through an adjustment to claims costs or as an adjustment to the administrative expenses component of Our Prescription Drug premiums. Any such rebates may be retained by Us, in whole or part, in order to fund such activities as new utilization management activities, community benefit activities and increasing reserves for the protection of Members. Rebates may change or reduce the amount of any Copayment or Coinsurance applicable under Our Prescription Drug coverage. Not all Prescription Drugs are eligible for a rebate, and rebates can be discontinued or applied at any time based on the terms of the rebate agreements. Because the exact value of the rebate will not be known at the time You purchase the Prescription Drug, the amount of the rebate applied to Your claim will be based on an estimate. Payment on Your claim and Your Cost-Sharing will not be adjusted if the later-determined rebate value is higher or lower than Our estimate.

SECTION XIX. Utilization Review

A. Utilization Review.

We review health services to determine whether the services are or were Medically Necessary or experimental or investigational ("Medically Necessary"). This process is called Utilization Review. Utilization Review includes all review activities, whether they take place prior to the service being performed (Preauthorization); when the service is being performed (concurrent); or after the service is performed (retrospective). If You have any questions about the Utilization Review process, please call the number on Your ID card. The toll-free telephone number is available at least 40 hours a week with an after-hours answering machine.

All determinations that services are not Medically Necessary will be made by: 1) licensed Physicians; or 2) licensed, certified, registered or credentialed Health Care Professionals who are in the same profession and same or similar specialty as the Provider who typically manages Your medical condition or disease or provides the health care service under review; or 3) with respect to mental health or substance use disorder treatment, licensed Physicians or licensed, certified, registered or credentialed Health Care Professionals who specialize in behavioral health and have experience in the delivery of mental health or substance use disorder courses of treatment. We do not compensate or provide financial incentives to Our employees or reviewers for determining that services are not Medically Necessary.

We have developed guidelines and protocols to assist Us in this process. We will use evidence-based and peer reviewed clinical review criteria that are appropriate to the age of the patient and designated by OASAS for substance use disorder treatment or approved for use by OMH for mental health treatment. Specific guidelines and protocols are available for Your review upon request. For more information, call the number on Your ID card or visit Our website.

You may ask that We send You electronic notification of a Utilization Review determination instead of notice in writing or by telephone. You must tell Us in advance if You want to receive electronic notifications. To opt into electronic notifications, call the number on Your ID card or visit Our website. You can opt out of electronic notifications at any time.

B. Preauthorization Reviews.

1. **Non-Urgent Preauthorization Reviews.** If We have all the information necessary to make a determination regarding a Preauthorization review, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of receipt of the request.

   If We need additional information, We will request it within three (3) business days. You or Your Provider will then have 45 calendar days to submit the information. If We receive the requested information within 45 days, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within three (3) business days of Our receipt of the information. If all necessary information is not received within 45 days, We will make a determination within 15 calendar days of the earlier of the receipt of part of the requested information or the end

of the 45 day period.

2. **Urgent Preauthorization Reviews.** With respect to urgent Preauthorization requests, if We have all information necessary to make a determination, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone, within 72 hours of receipt of the request. Written notice will be provided within three (3) business days of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We may review the treatment provided at crisis stabilization centers retrospectively to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS or approved by OMH. If any treatment at a participating crisis stabilization center is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your treatment.

C. Concurrent Reviews.

1. **Non-Urgent Concurrent Reviews**. Utilization Review decisions for services during the course of care (concurrent reviews) will be made, and notice provided to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of all necessary information. If We need additional information, We will request it within one (1) business day. You or Your Provider will then have 45 calendar days to submit the information. We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of Our receipt of the information or, if We do not receive the information, within the earlier of one (1) business day of the receipt of part of the requested information or 15 calendar days of the end of the 45-day period.

2. **Urgent Concurrent Reviews.** For concurrent reviews that involve an extension of urgent care, if the request for coverage is made at least 24 hours prior to the expiration of a previously approved treatment, We will make a determination and provide notice to You (or Your designee) and Your Provider by telephone within 24 hours of receipt of the request. Written notice will be provided within one (1) business day of receipt of the request.

If the request for coverage is not made at least 24 hours prior to the expiration of a previously approved treatment and We have all the information necessary to make a determination, We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of 72 hours or one (1) business day of receipt of the request. If We need additional information, We will request it within 24 hours. You or Your Provider will then have 48 hours to submit the information. We will make a determination and provide written notice to You (or Your designee) and Your Provider within the earlier of one (1) business day or 48 hours of Our receipt of the information or, if we do not receive the information, within 48 hours of the end of the 48-hour period.

3. **Home Health Care Reviews.** After receiving a request for coverage of home care services following an inpatient Hospital admission, We will make a determination and provide notice to You (or Your designee) and Your Provider, by telephone and in writing, within one (1) business day of receipt of the necessary information. If the day following the request falls on a weekend or holiday, We will make a determination and provide notice to You (or Your designee) and Your Provider within 72 hours of receipt of the necessary information. When We receive a request for home care services and all necessary information prior to Your discharge from an inpatient hospital admission, We will not deny coverage for home care services while Our decision on the request is pending.

4. **Inpatient Substance Use Disorder Treatment Reviews.** If a request for inpatient substance use disorder treatment is submitted to Us at least 24 hours prior to discharge from an inpatient substance use disorder treatment admission, We will make a determination within 24 hours of receipt of the request and We will provide coverage for the inpatient substance use disorder treatment while Our determination is pending.

5. **Inpatient Mental Health Treatment for Members under 18 at Participating Hospitals Licensed by the Office of Mental Health (OMH).** Coverage for inpatient mental health treatment at a participating OMH-licensed Hospital is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 14 days of the inpatient admission if the OMH-licensed Hospital notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission. After the first 14 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary, and We will use clinical review tools approved by OMH. If any portion of the stay is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your inpatient admission.

6. **Inpatient Substance Use Disorder Treatment at Participating OASAS-Certified Facilities.** Coverage for inpatient substance use disorder treatment at a participating OASAS-certified Facility is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first 28 days of the inpatient admission if the OASAS-certified Facility notifies Us of both the admission and the initial treatment plan within two (2) business days of the admission. After the first 28 days of the inpatient admission, We may review the entire stay to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of

the stay is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your inpatient admission.

7. **Outpatient Substance Use Disorder Treatment at Participating OASAS-Certified Facilities.** Coverage for outpatient, intensive outpatient, outpatient rehabilitation and opioid treatment at a participating OASAS-certified Facility is not subject to Preauthorization. Coverage will not be subject to concurrent review for the first four (4) weeks of continuous treatment, not to exceed 28 visits, if the OASAS-certified Facility notifies Us of both the start of treatment and the initial treatment plan within two (2) business days. After the first four (4) weeks of continuous treatment, not to exceed 28 visits, We may review the entire outpatient treatment to determine whether it is Medically Necessary and We will use clinical review tools designated by OASAS. If any portion of the outpatient treatment is denied as not Medically Necessary, You are only responsible for the In-Network Cost-Sharing that would otherwise apply to Your outpatient treatment.

D. Retrospective Reviews.

If We have all information necessary to make a determination regarding a retrospective claim, We will make a determination and notify You and Your Provider within 30 calendar days of the receipt of the request. If We need additional information, We will request it within 30 calendar days. You or Your Provider will then have 45 calendar days to provide the information. We will make a determination and provide notice to You and Your Provider in writing within 15 calendar days of the earlier of Our receipt of all or part of the requested information or the end of the 45-day period.

Once We have all the information to make a decision, Our failure to make a Utilization Review determination within the applicable time frames set forth above will be deemed an adverse determination subject to an internal Appeal.

E. Retrospective Review of Preauthorized Services.

We may only reverse a preauthorized treatment, service or procedure on retrospective review when:

- The relevant medical information presented to Us upon retrospective review is materially different from the information presented during the Preauthorization review;
- The relevant medical information presented to Us upon retrospective review existed at the time of the Preauthorization but was withheld or not made available to Us;
- We were not aware of the existence of such information at the time of the Preauthorization review; and
- Had We been aware of such information, the treatment, service or procedure being requested would not have been authorized. The determination is made using the same specific standards, criteria or procedures as used during the Preauthorization review.

F. Step Therapy Override Determinations.

You, Your designee, or Your Health Care Professional may request a step therapy protocol override determination for Coverage of a Prescription Drug selected by Your Health Care Professional. When conducting Utilization Review for a step therapy protocol override determination, We will use recognized evidence-based and peer reviewed clinical review

criteria that is appropriate for You and Your medical condition.

1. **Supporting Rationale and Documentation.** A step therapy protocol override determination request must include supporting rationale and documentation from a Health Care Professional, demonstrating that:
   - The required Prescription Drug(s) is contraindicated or will likely cause an adverse reaction or physical or mental harm to You;
   - The required Prescription Drug(s) is expected to be ineffective based on Your known clinical history, condition, and Prescription Drug regimen;
   - You have tried the required Prescription Drug(s) while covered by Us or under Your previous health insurance coverage, or another Prescription Drug in the same pharmacologic class or with the same mechanism of action, and that Prescription Drug(s) was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event;
   - You are stable on a Prescription Drug(s) selected by Your Health Care Professional for Your medical condition, provided this does not prevent Us from requiring You to try an AB-rated generic equivalent; or
   - The required Prescription Drug(s) is not in Your best interest because it will likely cause a significant barrier to Your adherence to or compliance with Your plan of care, will likely worsen a comorbid condition, or will likely decrease Your ability to achieve or maintain reasonable functional ability in performing daily activities.

2. **Standard Review.** We will make a step therapy protocol override determination and provide notification to You (or Your designee) and where appropriate, Your Health Care Professional, within 72 hours of receipt of the supporting rationale and documentation.

3. **Expedited Review**. If You have a medical condition that places Your health in serious jeopardy without the Prescription Drug prescribed by Your Health Care Professional, We will make a step therapy protocol override determination and provide notification to You (or Your designee) and Your Health Care Professional within 24 hours of receipt of the supporting rationale and documentation.

   If the required supporting rationale and documentation are not submitted with a step therapy
   protocol override determination request, We will request the information within 72 hours for
   Preauthorization and retrospective reviews, the lesser of 72 hours or one (1) business day for concurrent reviews, and 24 hours for expedited reviews. You or Your Health Care Professional will have 45 calendar days to submit the information for Preauthorization, concurrent and retrospective reviews, and 48 hours for expedited reviews. For Preauthorization reviews, We will make a determination and provide notification to You (or
   Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For concurrent reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the

earlier of 72 hours or one (1) business day of Our receipt of the information or 15 calendar
days of the end of the 45-day period if the information is not received. For retrospective reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 72 hours of Our receipt of the information or 15 calendar days of the end of the 45-day period if the information is not received. For expedited reviews, We will make a determination and provide notification to You (or Your designee) and Your Health Care Professional within the earlier of 24 hours of Our receipt of the information or 48 hours of the end of the 48-hour period if the information is not received.

If We do not make a determination within 72 hours (or 24 hours for expedited reviews) of receipt of the supporting rationale and documentation, the step therapy protocol override request will be approved.

If We determine that the step therapy protocol should be overridden, We will authorize immediate coverage for the Prescription Drug prescribed by Your treating Health Care Professional. An adverse step therapy override determination is eligible for an Appeal.

G. Reconsideration.

If We did not attempt to consult with Your Provider who recommended the Covered Service before making an adverse determination, the Provider may request reconsideration by the same clinical peer reviewer who made the adverse determination or a designated clinical peer reviewer if the original clinical peer reviewer is unavailable. For Preauthorization and concurrent reviews, the reconsideration will take place within one (1) business day of the request for reconsideration. If the adverse determination is upheld, a notice of adverse determination will be given to You and Your Provider, by telephone and in writing.

H. Utilization Review Internal Appeals.

You, Your designee, and, in retrospective review cases, Your Provider, may request an internal Appeal of an adverse determination, either by phone, in person, or in writing.

You have up to 180 calendar days after You receive notice of the adverse determination to file an Appeal. We will acknowledge Your request for an internal Appeal within 15 calendar days of receipt. This acknowledgment will include the name, address, and phone number of the person handling Your Appeal and, if necessary, inform You of any additional information needed before a decision can be made. The Appeal will be decided by a clinical peer reviewer who is not subordinate to the clinical peer reviewer who made the initial adverse determination and who is 1) a Physician or 2) a Health Care Professional in the same or similar specialty as the Provider who typically manages the disease or condition at issue.

1. **Out-of-Network Service Denial.** You also have the right to Appeal the denial of a Preauthorization request for an out-of-network health service when We determine that the out-of-network health service is not materially different from an available in-network health service. A denial of an out-of-network health service is a service provided by a Non-Participating Provider, but only when the service is not available from a Participating Provider. For a Utilization Review Appeal of denial of an out-of-network health service, You or Your designee must submit:

- A written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition, that the requested out-of-network health service is materially different from the alternate health service available from a Participating Provider that We approved to treat Your condition; and
- Two (2) documents from the available medical and scientific evidence that the out-of-network service: 1) is likely to be more clinically beneficial to You than the alternate in-network service; and 2) that the adverse risk of the out-of-network service would likely not be substantially increased over the in-network health service.

2. **Out-of-Network Authorization Denial.** You also have the right to Appeal the denial of a request for an authorization to a Non-Participating Provider when We determine that We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service. For a Utilization Review Appeal of an out-of-network authorization denial, You or Your designee must submit a written statement from Your attending Physician, who must be a licensed, board-certified or board-eligible Physician qualified to practice in the specialty area of practice appropriate to treat Your condition:
   - That the Participating Provider recommended by Us does not have the appropriate training and experience to meet Your particular health care needs for the health care service; and
   - Recommending a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

I. Standard Appeal.

1. **Preauthorization Appeal.** If Your Appeal relates to a Preauthorization request, We will decide the Appeal within 30 calendar days of receipt of the Appeal request. Written notice of the determination will be provided to You (or Your designee) and where appropriate Your Provider, within two (2) business days after the determination is made, but no later than 30 calendar days after receipt of the Appeal request.

2. **Retrospective Appeal.** If Your Appeal relates to a retrospective claim, We will decide the Appeal within the earlier of 30 calendar days of receipt of the information necessary to conduct the Appeal or 60 days of receipt of the Appeal. Written notice of the determination will be provided to You (or Your designee), and where appropriate, Your Provider, within two (2) business days after the determination is made, but no later than 60 calendar days after receipt of the Appeal request.

3. **Expedited Appeal.** An Appeal of a review of continued or extended health care services, additional services rendered in the course of continued treatment, home health care services following discharge from an inpatient Hospital admission, services in which a Provider requests an immediate review, mental health and/or substance use disorder services that may be subject to a court order, or any other urgent matter will be handled on an expedited basis. An expedited Appeal is not available for retrospective reviews. For an expedited Appeal, Your Provider will have reasonable access to the clinical peer reviewer assigned to the Appeal within one (1) business day of receipt of

the request for an Appeal. Your Provider and a clinical peer reviewer may exchange information by telephone or fax. An expedited Appeal will be determined within the earlier of 72 hours of receipt of the Appeal or two (2) business days of receipt of the information necessary to conduct the Appeal. Written notice of the determination will be provided to You (or Your designee) within 24 hours after the determination is made, but no later than 72 hours after receipt of the Appeal request.

If You are not satisfied with the resolution of Your expedited Appeal, You may file a standard internal Appeal or an external appeal.

Our failure to render a determination of Your Appeal within 30 calendar days of receipt of the necessary information for a standard Appeal or within two (2) business days of receipt of the necessary information for an expedited Appeal will be deemed a reversal of the initial adverse determination.

4. **Substance Use Appeal.** If We deny a request for inpatient substance use disorder treatment that was submitted at least 24 hours prior to discharge from an inpatient admission, and You or Your Provider file an expedited internal Appeal of Our adverse determination, We will decide the Appeal within 24 hours of receipt of the Appeal request. If You or Your Provider file the expedited internal Appeal and an expedited external appeal within 24 hours of receipt of Our adverse determination, We will also provide coverage for the inpatient substance use disorder treatment while a determination on the internal Appeal and external appeal is pending.

J. Full and Fair Review of an Appeal.

We will provide You, free of charge, with any new or additional evidence considered, relied upon, or generated by Us or any new or additional rationale in connection with Your Appeal. The evidence or rationale will be provided as soon as possible and sufficiently in advance of the date on which the notice of final adverse determination is required to be provided to give You a reasonable opportunity to respond prior to that date.

SECTION XX. External Appeal

A. Your Right to an External Appeal.

In some cases, You have a right to an external appeal of a denial of coverage. If We have denied coverage on the basis that a service is not Medically Necessary (including appropriateness, health care setting, level of care or effectiveness of a Covered benefit); or is an experimental or investigational treatment (including clinical trials and treatments for rare diseases); or is an out-of-network treatment; or is an emergency service or a surprise bill (including whether the correct Cost-Sharing was applied). You or Your representative may appeal that decision to an External Appeal Agent, an independent third party certified by the State to conduct these appeals.

In order for You to be eligible for an external appeal You must meet the following two (2) requirements:

- The service, procedure, or treatment must otherwise be a Covered Service under this Certificate and
- In general, You must have received a final adverse determination through Our internal Appeal process. But, You can file an external appeal even though You have not received a final adverse determination through Our internal Appeal process if:
    - We agree in writing to waive the internal Appeal. We are not required to agree to Your request to waive the internal Appeal; or
    - You file an external appeal at the same time as You apply for an expedited internal Appeal; or
    - We fail to adhere to Utilization Review claim processing requirements (other than a minor violation that is not likely to cause prejudice or harm to You, and We demonstrate that the violation was for good cause or due to matters beyond Our control and the violation occurred during an ongoing, good faith exchange of information between You and Us).

B. Your Right to Appeal a Determination that a Service is Not Medically Necessary.

If We have denied coverage on the basis that the service is not Medically Necessary, You may appeal to an External Appeal Agent if You meet the requirements for an external appeal in paragraph “A” above.

C. Your Right to Appeal a Determination that a Service is Experimental or Investigational.

If We have denied coverage on the basis that the service is an experimental or investigational treatment (including clinical trials and treatments for rare diseases), You must satisfy the two (2) requirements for an external appeal in paragraph “A” above and Your attending Physician must certify that Your condition or disease is one for which:

1. Standard health services are ineffective or medically inappropriate; or
2. There does not exist a more beneficial standard service or procedure Covered by Us; or
3. There exists a clinical trial or rare disease treatment (as defined by law).

In addition, Your attending Physician must have recommended one (1) of the following:

1. A service, procedure or treatment that two (2) documents from available medical and scientific evidence indicate is likely to be more beneficial to You than any standard Covered Service (only certain documents will be considered in support of this recommendation – Your attending Physician should contact the State for current information as to what documents will be considered or acceptable); or
2. A clinical trial for which You are eligible (only certain clinical trials can be considered); or
3. A rare disease treatment for which Your attending Physician certifies that there is no standard treatment that is likely to be more clinically beneficial to You than the requested service, the requested service is likely to benefit You in the treatment of Your rare disease, and such benefit outweighs the risk of the service. In addition, Your attending Physician must certify that Your condition is a rare disease that is currently or was previously subject to a research study by the National Institutes of Health Rare Disease Clinical Research Network **or** that it affects fewer than 200,000 U.S. residents per year.

For purposes of this section, Your attending Physician must be a licensed, board-certified or board eligible Physician qualified to practice in the area appropriate to treat Your condition or disease. In addition, for a rare disease treatment, the attending Physician may not be Your treating Physician.

D. Your Right to Appeal a Determination that a Service is Out-of-Network.

If We have denied coverage of an out-of-network treatment because it is not materially different than the health service available in-network, You may appeal to an External Appeal Agent if You meet the two requirements for an external appeal in paragraph "A" above, and You have requested Preauthorization for the out-of-network treatment.

In addition, Your attending Physician must certify that the out-of-network service is materially different from the alternate recommended in-network health service, and based on two (2) documents from available medical and scientific evidence, is likely to be more clinically beneficial than the alternate in-network treatment and that the adverse risk of the requested health service would likely not be substantially increased over the alternate in-network health service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

E. Your Right to Appeal an Out-of-Network Authorization Denial to a Non-Participating Provider.

If We have denied coverage of a request for an authorization to a Non-Participating Provider because We determine We have a Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service, You may appeal to an External Appeal Agent if You meet the two (2) requirements for an external appeal in paragraph "A" above.

In addition, Your attending Physician must: 1) certify that the Participating Provider recommended by Us does not have the appropriate training and experience to meet

Your particular health care needs; and 2) recommend a Non-Participating Provider with the appropriate training and experience to meet Your particular health care needs who is able to provide the requested health care service.

For purposes of this section, Your attending Physician must be a licensed, board certified or board eligible Physician qualified to practice in the specialty area appropriate to treat You for the health service.

F. Your Right to Appeal a Formulary Exception Denial.

If We have denied Your request for coverage of a non-formulary Prescription Drug through Our formulary exception process, You, Your designee or the prescribing Health Care Professional may appeal the formulary exception denial to an External Appeal Agent. See the Prescription Drug Coverage section of this Certificate for more information on the formulary exception process.

G. The External Appeal Process.

You have four (4) months from receipt of a final adverse determination or from receipt of a waiver of the internal Appeal process to file a written request for an external appeal. If You are filing an external appeal based on Our failure to adhere to claim processing requirements, You have four (4) months from such failure to file a written request for an external appeal.

We will provide an external appeal application with the final adverse determination issued through Our internal Appeal process or Our written waiver of an internal Appeal. You may also request an external appeal application from the New York State Department of Financial Services at 1-800-400-8882. Submit the completed application to the Department of Financial Services at the address indicated on the application. If You meet the criteria for an external appeal, the State will forward the request to a certified External Appeal Agent.

You can submit additional documentation with Your external appeal request. If the External Appeal Agent determines that the information You submit represents a material change from the information on which We based Our denial, the External Appeal Agent will share this information with Us in order for Us to exercise Our right to reconsider Our decision. If We choose to exercise this right, We will have three (3) business days to amend or confirm Our decision. Please note that in the case of an expedited external appeal (described below), We do not have a right to reconsider Our decision.

In general, the External Appeal Agent must make a decision within 30 days of receipt of Your completed application. The External Appeal Agent may request additional information from You, Your Physician, or Us. If the External Appeal Agent requests additional information, it will have five (5) additional business days to make its decision. The External Appeal Agent must notify You in writing of its decision within two (2) business days.

If Your attending Physician certifies that a delay in providing the service that has been denied poses an imminent or serious threat to Your health; or if Your attending Physician certifies that the standard external appeal time frame would seriously jeopardize Your life, health or ability to regain maximum function; or if You received Emergency Services

and have not been discharged from a Facility and the denial concerns an admission, availability of care or continued stay, You may request an expedited external appeal. In that case, the External Appeal Agent must make a decision within 72 hours of receipt of Your completed application. Immediately after reaching a decision, the External Appeal Agent must notify You and Us by telephone or facsimile of that decision. The External Appeal Agent must also notify You in writing of its decision.

If Your internal formulary exception request received a standard review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional by telephone within 72 hours of receipt of Your completed application. The External Appeal Agent will notify You or Your designee and the prescribing Health Care Professional in writing within two (2) business days of making a determination. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You are taking the Prescription Drug, including any refills.

If Your internal formulary exception request received an expedited review through Our formulary exception process, the External Appeal Agent must make a decision on Your external appeal and notify You or Your designee and the prescribing Health Care Professional by telephone within 24 hours of receipt of Your completed application. The External Appeal Agent will notify You or Your designee and the prescribing Health Care Professional in writing within 72 hours of receipt of Your completed application. If the External Appeal Agent overturns Our denial, We will Cover the Prescription Drug while You suffer from the health condition that may seriously jeopardize Your health, life or ability to regain maximum function or for the duration of Your current course of treatment using the non-formulary Prescription Drug.

If the External Appeal Agent overturns Our decision that a service is not Medically Necessary or approves coverage of an experimental or investigational treatment or an out-of-network treatment, We will provide coverage subject to the other terms and conditions of this Certificate. Please note that if the External Appeal Agent approves coverage of an experimental or investigational treatment that is part of a clinical trial, We will only Cover the cost of services required to provide treatment to You according to the design of the trial. We will not be responsible for the costs of investigational drugs or devices, the costs of non-health care services, the costs of managing the research, or costs that would not be Covered under this Certificate for non-investigational treatments provided in the clinical trial.

The External Appeal Agent's decision is binding on both You and Us. The External Appeal Agent's decision is admissible in any court proceeding.

We will charge You a fee of $25 for each external appeal, not to exceed $75 in a single Plan Year. The external appeal application will explain how to submit the fee. We will waive the fee if We determine that paying the fee would be a hardship to You. If the External Appeal Agent overturns the denial of coverage, the fee will be refunded to You.

H. Your Responsibilities.

It is Your responsibility to start the external appeal process. You may start the external appeal process by filing a completed application with the New York State

Department of Financial Services. You may appoint a representative to assist You with Your application; however, the Department of Financial Services may contact You and request that You confirm in writing that You have appointed the representative.

Under New York State law, Your completed request for external appeal must be filed within four (4) months of either the date upon which You receive a final adverse determination, or the date upon which You receive a written waiver of any internal Appeal, or Our failure to adhere to claim processing requirements. We have no authority to extend this deadline.

SECTION XXI. Coordination of Benefits

This section applies when You also have group health coverage with another plan. When You receive a Covered Service, We will coordinate benefit payments with any payment made by another plan. The primary plan will pay its full benefits and the other plan may pay secondary benefits, if necessary, to cover some or all of the remaining expenses. This coordination prevents duplicate payments and overpayments.

A. Definitions.

1. "Allowable expense" is the necessary, reasonable, and customary item of expense for health care, when the item is covered at least in part under any of the plans involved, except where a statute requires a different definition. When a plan provides benefits in the form of services, the reasonable cash value of each service will be considered as both an allowable expense and a benefit paid.

2. "Plan" is other group health coverage with which We will coordinate benefits. The term "plan" includes:

- Group health benefits and group blanket or group remittance health benefits coverage, whether insured, self-insured, or self-funded. This includes group HMO and other prepaid group coverage, but does not include blanket school accident coverage or coverages issued to a substantially similar group (e.g., Girl Scouts, Boy Scouts) where the school or organization pays the premiums.
- Medical benefits coverage, in group and individual automobile "no-fault" and traditional liability "fault" type contracts.
- Hospital, medical, and surgical benefits coverage of Medicare or a governmental plan offered, required, or provided by law, except Medicaid or any other plan whose benefits are by law excess to any private insurance coverage.

3. "Primary plan" is one whose benefits must be determined without taking the existence of any other plan into consideration. A plan is primary if either: 1) the plan has no order of benefits rules or its rules differ from those required by regulation; or 2) all plans which cover the person use the order of benefits rules required by regulation and under those rules the plan determines its benefits first. More than one plan may be a primary plan (for example, two plans which have no order of benefit determination rules).

4. "Secondary plan" is one which is not a primary plan. If a person is covered by more than one secondary plan, the order of benefit determination rules decide the order in which their benefits are determined in relation to each other.

B. Rules to Determine Order of Payment.

The first of the rules listed below in paragraphs 1-6 that applies will determine which plan will be primary:

1. If the other plan does not have a provision similar to this one, then the other plan will be primary.

2. If the person receiving benefits is the Subscriber and is only covered as a Dependent under the other plan, this Certificate will be primary.

3. If a child is covered under the plans of both parents and the parents are not separated or divorced, the plan of the parent whose birthday falls earlier in the year will be primary. If both parents have the same birthday, the plan which covered the parent longer will be primary. To determine whose birthday falls earlier in the year, only the month and day are considered. However, if the other plan does not have this birthday rule, but instead has a rule based on the sex of the parent and as a result the plans do not agree on which is primary, then the rule in the other plan will determine which plan is primary.

4. If a child is covered by both parents' plans, the parents are separated or divorced, and there is no court decree between the parents that establishes financial responsibility for the child's health care expenses:
   - The plan of the parent who has custody will be primary;
   - If the parent with custody has remarried, and the child is also covered as a child under the step-parent's plan, the plan of the parent with custody will pay first, the step-parent's plan will pay second, and the plan of the parent without custody will pay third; and
   - If a court decree between the parents says which parent is responsible for the child's health care expenses, then that parent's plan will be primary if that plan has actual knowledge of the decree.

5. If the person receiving services is covered under one plan as an active employee or member (i.e., not laid-off or retired), or as the spouse or child of such an active employee, and is also covered under another plan as a laid-off or retired employee or as the spouse or child of such a laid-off or retired employee, the plan that covers such person as an active employee or spouse or child of an active employee will be primary. If the other plan does not have this rule, and as a result the plans do not agree on which will be primary, this rule will be ignored.

6. If none of the above rules determine which plan is primary, the plan that covered the person receiving services longer will be primary.

C. Effects of Coordination.

When this plan is secondary, its benefits will be reduced so that the total benefits paid by the primary plan and this plan during a claim determination period will not exceed Our maximum available benefit for each Covered Service. Also, the amount We pay will not be more than the amount We would pay if We were primary. As each claim is submitted, We will determine Our obligation to pay for allowable expenses based upon all claims that have been submitted up to that point in time during the claim determination period.

D. Right to Receive and Release Necessary Information.

We may release or receive information that We need to coordinate benefits. We do not need to tell anyone or receive consent to do this. We are not responsible to anyone for releasing or obtaining this information. You must give Us any needed information for coordination purposes, in the time frame requested.

E. Our Right to Recover Overpayment.

If We made a payment as a primary plan, You agree to pay Us any amount by which We should have reduced Our payment. Also, We may recover any overpayment from the

primary plan or the Provider receiving payment and You agree to sign all documents necessary to help Us recover any overpayment.

F. Coordination with "Always Excess," "Always Secondary," or "Non-Complying" Plans.

Except as described below, We will coordinate benefits with plans, whether insured or self-insured, that provide benefits that are stated to be always excess or always secondary or use order of benefit determination rules that are inconsistent with the rules described above in the following manner:

1. If this Certificate is primary, as defined in this section, We will pay benefits first.

2. If this Certificate is secondary, as defined in this section, We will pay only the amount We would pay as the secondary insurer.

3. If We request information from a non-complying plan and do not receive it within 30 days, We will calculate the amount We should pay on the assumption that the non-complying plan and this Certificate provide identical benefits. When the information is received, We will make any necessary adjustments.

If a blanket accident insurance policy issued in accordance with Section 1015.11 of the General Business Law contains a provision that its benefits are excess or always secondary, then this Certificate is primary.

SECTION XXII. Termination of Coverage

Coverage under this Certificate will automatically be terminated on the first of the following to apply:

1. The Group and/or Subscriber has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.

2. The end of the month in which the Subscriber ceases to meet the eligibility requirements as defined by the Group.

3. Upon the Subscriber's death, coverage will terminate unless the Subscriber has coverage for Dependents. If the Subscriber has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium had been paid.

4. For Spouses in cases of divorce, the date of the divorce.

5. For Children, the end of the month in which the Child turns 26 years of age.

6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.

7. The end of the month following the Group's provision of written notice of termination of coverage to Us, or such later termination date requested by the Group's notice.

8. If the Subscriber or the Subscriber's Dependent has performed an act that constitutes fraud or the Subscriber has made an intentional misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Subscriber and/or the Subscriber's Dependent, as applicable. If termination is a result of the Subscriber's action, coverage will terminate for the Subscriber and any Covered Dependents. If termination is a result of the Dependent's action, coverage will terminate for the Dependent.

9. The date that the Group Contract is terminated. If We decide to stop offering a particular class of group contracts, without regard to claims experience or health related status, to which this Certificate belongs, We will provide the Group and Subscribers at least 90 days' prior written notice.

10. If We decide to stop offering all hospital, surgical and medical expense coverage in the large group market in this state, We will provide written notice to the Group and Subscriber at least 180 days prior to when the coverage will cease.

11. The Group has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.

12. The Group ceases to meet the statutory requirements to be defined as a group for the purpose of obtaining coverage. We will provide written notice to the Group and Subscriber at least 30 days prior to when the coverage will cease.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

See the Continuation of Coverage section of this Certificate for Your right to continuation of this coverage. See the Conversion Right to a New Contract after Termination section of this Certificate for Your right to conversion to an individual Contract.

SECTION XXIII. Extension of Benefits

When Your coverage under this Certificate ends, benefits stop. But, if You are totally disabled on the date the Group Contract terminates, or on the date Your coverage under this Certificate terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability.

A. When You May Continue Benefits.

When Your coverage under this Certificate ends, We will provide benefits during a period of total disability for a Hospital stay commencing, or surgery performed, within 31 days from the date Your coverage ends. The Hospital stay or surgery must be for the treatment of the injury, sickness, or pregnancy causing the total disability.

If Your coverage ends because You are no longer employed, We will provide benefits during a period of total disability for up to 12 months from the date Your coverage ends for Covered services to treat the injury, sickness, or pregnancy that caused the total disability, unless these services are covered under another group health plan.

B. Termination of Extension of Benefits.

Extended benefits will end on the earliest of the following:

- The date You are no longer totally disabled;
- The date the contractual benefit has been exhausted;
- 12 months from the date extended benefits began (if Your benefits are extended based on termination of employment); or
- With respect to the 12-month extension of coverage, the date You become eligible for benefits under any group policy providing medical benefits.

C. Limits on Extended Benefits.

We will not pay extended benefits:

- For any Member who is not totally disabled on the date coverage under this Certificate ends; or
- Beyond the extent to which We would have paid benefits under this Certificate if coverage had not ended.

SECTION XXIV. Continuation of Coverage

Under the continuation of coverage provisions of the federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), most employer-sponsored group health plans must offer employees and their families the opportunity for a temporary continuation of health insurance coverage when their coverage would otherwise end. If You are not entitled to temporary continuation of coverage under COBRA, You may be entitled to temporary continuation coverage under the New York Insurance Law as described below. Call or write Your employer to find out if You are entitled to temporary continuation of coverage under COBRA or under the New York Insurance Law. Any period of continuation of coverage will terminate automatically at the end of the period of continuation provided under COBRA or the New York Insurance Law.

A. Qualifying Events.

Pursuant to federal COBRA and state continuation coverage laws, You, the Subscriber, Your Spouse and Your Children may be able to temporarily continue coverage under this Certificate in certain situations when You would otherwise lose coverage, known as qualifying events.

1. If Your coverage ends due to voluntary or involuntary termination of employment or a change in Your employee class (e.g., a reduction in the number of hours of employment), You may continue coverage. Coverage may be continued for You, Your Spouse and any of Your covered Children.

2. If You are a covered Spouse, You may continue coverage if Your coverage ends due to:

- Voluntary or involuntary termination of the Subscriber's employment;
- Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
- Divorce or legal separation from the Subscriber; or
- Death of the Subscriber.

3. If You are a covered Child, You may continue coverage if Your coverage ends due to:

- Voluntary or involuntary termination of the Subscriber's employment;
- Reduction in the hours worked by the Subscriber or other change in the Subscriber's class;
- Loss of covered Child status under the plan rules; or
- Death of the Subscriber.

If You want to continue coverage, You must request continuation from the Group in writing and make the first Premium payment within the 60-day period following the later of:

1. The date coverage would otherwise terminate; or
2. The date You are sent notice by first class mail of the right of continuation by the Group.

The Group may charge up to 102% of the Group Premium for continued coverage. Continued coverage under this section will terminate at the earliest of the following:

1. The date 36 months after the Subscriber's coverage would have terminated because of termination of employment;

2. If You are a covered Spouse or Child, the date 36 months after coverage would have terminated due to the death of the Subscriber, divorce or legal separation, the Subscriber's eligibility for Medicare, or the failure to qualify under the definition of "Children";
3. The date You become covered by an insured or uninsured arrangement that provides group hospital, surgical or medical coverage;
4. The date You become entitled to Medicare;
5. The date to which Premiums are paid if You fail to make a timely payment; or
6. The date the Group Contract terminates. However, if the Group Contract is replaced with similar coverage, You have the right to become covered under the new Group Contract for the balance of the period remaining for Your continued coverage.

When Your continuation of coverage ends, You may have a right to conversion. See the Conversion Right to a New Contract after Termination section of this Certificate.

B. Supplementary Continuation, Conversion, and Temporary Suspension Rights During Active Duty.

If You, the Subscriber are a member of a reserve component of the armed forces of the United States, including the National Guard, You have the right to continuation, conversion, or a temporary suspension of coverage during active duty and reinstatement of coverage at the end of active duty if Your Group does not voluntarily maintain Your coverage and if:

1. Your active duty is extended during a period when the president is authorized to order units of the reserve to active duty, provided that such additional active duty is at the request and for the convenience of the federal government; and
2. You serve no more than four (4) years of active duty.

When Your Group does not voluntarily maintain Your coverage during active duty, coverage under this Certificate will be suspended unless You elect to continue coverage in writing within 60 days of being ordered to active duty and You pay the Group the required Premium payment but not more frequently than on a monthly basis in advance. This right of continuation extends to You and Your eligible Dependents. Continuation of coverage is not available for any person who is eligible to be covered under Medicare; or any person who is covered as an employee, member or dependent under any other insured or uninsured arrangement which provides group hospital, surgical or medical coverage, except for coverage available to active duty members of the uniformed services and their family members.

Upon completion of active duty:

1. Your coverage under this Certificate may be resumed as long as You are reemployed or restored to participation in the Group upon return to civilian status. The right of resumption extends to coverage for Your covered Dependents. For coverage that was suspended while on active duty, coverage under the Group plan will be retroactive to the date on which active duty terminated.
2. If You are not reemployed or restored to participation in Your Group upon return to civilian status, You will be eligible for continuation and conversion as long as You apply to Us for coverage within 31 days of the termination of active duty or discharge from a Hospitalization resulting from active duty as long as the Hospitalization was not in excess of one (1) year.

C. Availability of Age 29 Dependent Coverage Extension - Young Adult Option.

The Subscriber's Child may be eligible to purchase continuation coverage under the Group's Contract through the age of 29 if he or she:

1. Is under the age of 30;
2. Is not married;
3. Is not insured by or eligible for coverage under an employer-sponsored health benefit plan covering him or her as an employee or member, whether insured or self-insured;
4. Lives, works or resides in New York State or Our Service Area; and
5. Is not covered by Medicare.

The Child may purchase continuation coverage even if he or she is not financially dependent on his or her parent(s) and does not need to live with his or her parent(s).

The Subscriber's Child may elect this coverage:

1. Within 60 days of the date that his or her coverage would otherwise end due to reaching the maximum age for Dependent coverage, in which case coverage will be retroactive to the date that coverage would otherwise have terminated;
2. Within 60 days of newly meeting the eligibility requirements, in which case coverage will be prospective and start within 30 days of when the Group or the Group's designee receives notice and We receive Premium payment; or
3. During an annual 30-day open enrollment period, in which case coverage will be prospective and will start within 30 days of when the Group or the Group's designee receives notice of election and We receive Premium payment.

The Subscriber or Subscriber's Child must pay the Premium rate that applies to individual coverage. Coverage will be the same as the coverage provided under this Certificate. The Child's children are not eligible for coverage under this option.

SECTION XXV. Conversion Right to a New Contract after Termination

A. Circumstances Giving Rise to Right to Conversion.

You have the right to convert to a new Contract if coverage under this Certificate terminates under the circumstances described below.

1. **Termination of the Group Contract.** If the Group Contract between Us and the Group is terminated as set forth in the Termination of Coverage section of this Certificate, and the Group has not replaced the coverage with similar and continuous health care coverage, whether insured or self-insured, You are entitled to purchase a new Contract as a direct payment member.
2. **If You Are No Longer Covered in a Group.** If Your coverage terminates under the Termination of Coverage section of this Certificate because You are no longer a member of a Group, You are entitled to purchase a new Contract as a direct payment member.
3. **On the Death of the Subscriber.** If coverage terminates under the Termination of Coverage section of this Certificate because of the death of the Subscriber, the Subscriber's Dependents are entitled to purchase a new Contract as direct payment members.
4. **Termination of Your Marriage.** If a Spouse's coverage terminates under the Termination of Coverage section of this Certificate because the Spouse becomes divorced from the Subscriber or the marriage is annulled, that former Spouse is entitled to purchase a new Contract as a direct payment member.
5. **Termination of Coverage of a Child.** If a Child's coverage terminates under the Termination of Coverage section of this Certificate because the Child no longer qualifies as a Child, the Child is entitled to purchase a new Contract as a direct payment member.
6. **Termination of Your Temporary Continuation of Coverage.** If coverage terminates under the Termination of Coverage section of this Certificate because You are no longer eligible for continuation of coverage, You are entitled to purchase a new Contract as a direct payment member.
7. **Termination of Your Young Adult Coverage.** If a Child's young adult coverage terminates under the Termination of Coverage section of this Certificate, the Child is entitled to purchase a new Contract as a direct payment member.

B. When to Apply for the New Contract.

If You are entitled to purchase a new Contract as described above, You must apply to Us for the new Contract within 60 days after termination of coverage under this Certificate. You must also pay the first Premium of the new Contract at the time You apply for coverage.

C. The New Contract.

We will offer You an individual direct payment Contract at each level of coverage (i.e., bronze, silver, gold or platinum) that Covers all benefits required by state and federal law.

You may choose among any of the four (4) Contracts offered by Us. The coverage may not be the same as Your current coverage. If You are age 65 or over and enrolled in Medicare, We will also offer You contracts issued to Medicare-enrolled individuals.

SECTION XXVI. General Provisions

1. **Agreements Between Us and Participating Providers.**
   Any agreement between Us and Participating Providers may only be terminated by Us or the Providers. This Certificate does not require any Provider to accept a Member as a patient. We do not guarantee a Member's admission to any Participating Provider or any health benefits program.

2. **Assignment.**
   You cannot assign any benefits under this Certificate or legal claims based on a denial of benefits to any person, corporation or other organization and any such assignment will be void and unenforceable. You cannot assign any monies due under this Certificate to any person, corporation or other organization. Assignment means the transfer to another person, corporation or other organization of Your right to the services provided under this Certificate or Your right to collect money from Us for those services or Your right to sue based on a denial of benefits. Nothing in this paragraph shall affect Your right to appoint a designee or representative as otherwise permitted by applicable law.

3. **Changes in this Certificate.**
   We may unilaterally change this Certificate upon renewal, if We give the Group 45 days' prior written notice.

4. **Choice of Law.**
   This Certificate shall be governed by the laws of the State of New York.

5. **Clerical Error.**
   Clerical error, whether by the Group or Us, with respect to this Certificate, or any other documentation issued by Us in connection with this Certificate, or in keeping any record pertaining to the coverage hereunder, will not modify or invalidate coverage otherwise validly in force or continue coverage otherwise validly terminated.

6. **Conformity with Law.**
   Any term of this Certificate which conflicts with New York State law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

7. **Continuation of Benefit Limitations.**
   Some of the benefits in this Certificate may be limited to a specific number of visits, and/or subject to a Deductible. You will not be entitled to any additional benefits if Your coverage status should change during the year. For example, if Your coverage status changes from covered family member to Subscriber, all benefits previously utilized when You were a covered family member will be applied toward Your new status as a Subscriber.

8. **Enrollment ERISA.**
   The Group will develop and maintain complete and accurate payroll records, as well as any other records of the names, addresses, ages, and social security numbers of all Group

Members covered under this Certificate, and any other information required to confirm their eligibility for coverage.

The Group will provide Us with this information upon request. The Group may also have additional responsibilities as the "plan administrator" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The "plan administrator" is the Group, or a third party appointed by the Group. We are not the ERISA plan administrator.

The Group will provide Us with the enrollment form including Your name, address, age, and social security number and advise Us in writing when You are to be added to or subtracted from Our list of covered persons, on a monthly basis, on or before the same date of the month as the effective date of the Group's Contract with Us. If the Group fails to so advise Us, the Group will be responsible for the cost of any claims paid by Us as a result of such failure. In no event will retroactive additions to or deletions from coverage be made for periods in excess of thirty (30) days.

9. Entire Agreement.

This Certificate, and Schedule of Benefits, including any endorsements, riders and the attached applications, if any, constitutes the entire Certificate.

10. Fraud and Abusive Billing.

We have processes to review claims before and after payment to detect fraud and abusive billing. Members seeking services from Non-Participating Providers could be balance billed by the Non-Participating Provider for those services that are determined to be not payable as a result of a reasonable belief of fraud or other intentional misconduct or abusive billing.

11. Furnishing Information and Audit.

The Group and all persons covered under this Certificate will promptly furnish Us with all information and records that We may require from time to time to perform Our obligations under this Certificate. You must provide Us with information over the telephone for reasons such as the following: to allow Us to determine the level of care You need; so that We may certify care authorized by Your Physician; or to make decisions regarding the Medical Necessity of Your care. The Group will, upon reasonable notice, make available to Us, and We may audit and make copies of, any and all records relating to Group enrollment at the Group's New York office.

12. Identification Cards.

Identification ("ID") cards are issued by Us for identification purposes only. Possession of any ID card confers no right to services or benefits under this Certificate. To be entitled to such services or benefits, Your Premiums must be paid in full at the time the services are sought to be received.

13. Incontestability.

No statement made by You will be the basis for avoiding or reducing coverage unless it is in writing and signed by You. All statements contained in any such written instrument shall

be deemed representations and not warranties.

14. Independent Contractors.

Participating Providers are independent contractors. They are not Our agents or employees. We and Our employees are not the agent or employee of any Participating Provider. We are not liable for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries alleged to be suffered by You, Your covered Spouse or Children while receiving care from any Participating Provider or in any Participating Provider's Facility.

15. Input in Developing Our Policies.

Subscribers may participate in the development of Our policies by calling the Customer Service number on Your ID card.

16. Material Accessibility.

We will give the Group, and the Group will give You ID cards, Certificates, riders, and other necessary materials.

17. More Information about Your Health Plan.

You can request additional information about Your coverage under this Certificate. Upon Your request, We will provide the following information:

- A list of the names, business addresses and official positions of Our board of directors, officers and members; and Our most recent annual certified financial statement which includes a balance sheet and a summary of the receipts and disbursements.
- The information that We provide the State regarding Our consumer complaints.
- A copy of Our procedures for maintaining confidentiality of Member information.
- A copy of Our drug formulary. You may also inquire if a specific drug is Covered under this Certificate.
- A written description of Our quality assurance program.
- A copy of Our medical policy regarding an experimental or investigational drug, medical device or treatment in clinical trials.
- Provider affiliations with participating Hospitals.
- A copy of Our clinical review criteria(e.g., Medical Necessity criteria), and where appropriate, other clinical information We may consider regarding a specific disease, course of treatment or Utilization Review guidelines, including clinical review criteria relating to a step therapy protocol override determination.
- Written application procedures and minimum qualification requirements for Providers.
- Documents that contain the processes, strategies, evidentiary standards, and other factors used to apply a treatment limitation with respect to medical/surgical benefits and mental health or substance use disorder benefits under the Certificate.

18. Notice.

Any notice that We give You under this Certificate will be mailed to Your address as it

appears in Our records or delivered electronically if You consent to electronic delivery or to the address of the Group. If notice is delivered to You electronically, You may also request a copy of the notice from Us. You agree to provide Us with notice of any change of Your address. If You have to give Us any notice, it should be sent by U.S. mail, first class, postage prepaid to: the address on Your ID card.

19. Premium Refund.

We will give any refund of Premiums, if due, to the Group.

20. Recovery of Overpayments.

On occasion, a payment may be made to You when You are not covered, for a service that is not Covered, or which is more than is proper. When this happens, We will explain the problem to You and You must return the amount of the overpayment to Us within 60 days after receiving notification from Us. However, We shall not initiate overpayment recovery efforts more than 24 months after the original payment was made unless We have a reasonable belief of fraud or other intentional misconduct.

21. Renewal Date.

The renewal date for this Certificate is the anniversary of the effective date of the Group Contract of each year. This Certificate will automatically renew each year on the renewal date, unless otherwise terminated by Us or the Group, as permitted by this Certificate.

22. Right to Develop Guidelines and Administrative Rules.

We may develop or adopt standards that describe in more detail when We will or will not make payments under this Certificate. Examples of the use of the standards are: to determine whether: Hospital inpatient care was Medically Necessary; surgery was Medically Necessary to treat Your illness or injury; or certain services are skilled care. Those standards will not be contrary to the descriptions in this Certificate. If You have a question about the standards that apply to a particular benefit, You may contact Us and We will explain the standards or send You a copy of the standards. We may also develop administrative rules pertaining to enrollment and other administrative matters. We shall have all the powers necessary or appropriate to enable Us to carry out Our duties in connection with the administration of this Certificate.

We review and evaluate new technology according to technology evaluation criteria developed by Our medical directors and reviewed by a designated committee, which consists of Health Care Professionals from various medical specialties. Conclusions of the committee are incorporated into Our medical policies to establish decision protocols for determining whether a service is Medically Necessary, experimental or investigational, or included as a Covered benefit.

23. Right to Offset.

If We make a claim payment to You or on Your behalf in error or You owe Us any money, You must repay the amount You owe Us. Except as otherwise required by law, if We owe You a payment for other claims received, We have the right to subtract any amount You owe Us from any payment We owe You.

24. Service Marks.

Excellus Health Plan, Inc. (“Excellus”) is an independent corporation organized under the New York Insurance Law. Excellus also operates under licenses with the Blue Cross Blue Shield Association, an association of independent Blue Cross Blue Shield Plans, which licenses Excellus to use the Blue Cross and Blue Shield service marks in a portion of New York State. Excellus does not act as an agent of the Blue Cross Blue Shield Association. Excellus is solely responsible for the obligations created under this agreement.

25. Severability.

The unenforceability or invalidity of any provision of this Certificate shall not affect the validity and enforceability of the remainder of this Certificate.

26. Significant Change in Circumstances.

If We are unable to arrange for Covered Services as provided under this Certificate as the result of events outside of Our control, We will make a good faith effort to make alternative arrangements. These events would include a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, disability of a significant part of Participating Providers' personnel, or similar causes. We will make reasonable attempts to arrange for Covered Services. We and Our Participating Providers will not be liable for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by such an event.

27. Subrogation and Reimbursement.

These paragraphs apply when another party (including any insurer) is, or may be found to be, responsible for Your injury, illness or other condition and We have provided benefits related to that injury, illness or condition. As permitted by applicable state law, unless preempted by federal law, We may be subrogated to all rights of recovery against any such party (including Your own insurance carrier) for the benefits We have provided to You under this Certificate. Subrogation means that We have the right, independently of You, to proceed directly against the other party to recover the benefits that We have provided.

Subject to applicable state law, unless preempted by federal law, We may have a right of reimbursement if You or anyone on Your behalf receives payment from any responsible party (including Your own insurance carrier) from any settlement, verdict or insurance proceeds, in connection with an injury, illness, or condition for which We provided benefits. Under New York General Obligations Law Section 5-335, Our right of recovery does not apply when a settlement is reached between a plaintiff and defendant, unless a statutory right of reimbursement exists. The law also provides that, when entering into a settlement, it is presumed that You did not take any action against Our rights or violate any contract between You and Us. The law presumes that the settlement between You and the responsible party does not include compensation for the cost of health care services for which We provided benefits.

We request that You notify Us within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to injury, illness or condition sustained by You for which We have provided benefits. You must provide all information requested by Us or Our representatives including, but not limited to, completing

and submitting any applications or other forms or statements as We may reasonably request.

28. Third Party Beneficiaries.

No third party beneficiaries are intended to be created by this Certificate and nothing in this Certificate shall confer upon any person or entity other than You or Us any right, benefit, or remedy of any nature whatsoever under or by reason of this Certificate. No other party can enforce this Certificate's provisions or seek any remedy arising out of either Our or Your performance or failure to perform any portion of this Certificate, or to bring an action or pursuit for the breach of any terms of this Certificate.

29. Time to Sue.

No action at law or in equity may be maintained against Us prior to the expiration of 60 days after written submission of a claim has been furnished to Us as required in this Certificate. You must start any lawsuit against Us under this Certificate within two (2) years from the date the claim was required to be filed.

30. Translation Services.

Translation services are available free of charge under this Certificate for non-English speaking Members. Please contact Us at the number on Your ID card to access these services.

31. Venue for Legal Action.

If a dispute arises under this Certificate, it must be resolved in a court located in the State of New York. You agree not to start a lawsuit against Us in a court anywhere else. You also consent to New York State courts having personal jurisdiction over You. That means that, when the proper procedures for starting a lawsuit in these courts have been followed, the courts can order You to defend any action We bring against You.

32. Waiver.

The waiver by any party of any breach of any provision of this Certificate will not be construed as a waiver of any subsequent breach of the same or any other provision. The failure to exercise any right hereunder will not operate as a waiver of such right.

33. Who May Change this Certificate.

This Certificate may not be modified, amended, or changed, except in writing and signed by Our Chief Executive Officer ("CEO") or a person designated by the CEO. No employee, agent, or other person is authorized to interpret, amend, modify, or otherwise change this Certificate in a manner that expands or limits the scope of coverage, or the conditions of eligibility, enrollment, or participation, unless in writing and signed by the CEO or person designated by the CEO.

34. Who Receives Payment under this Certificate.

Payments under this Certificate for services provided by a Participating Provider will be made directly by Us to the Provider. If You receive services from a Non-Participating Provider, We reserve the right to pay either the Subscriber or the Provider. However, We will directly pay a Provider instead of You for Emergency Services, including inpatient

services following Emergency Department Care, pre-hospital emergency medical services, air ambulance services, and surprise bills.

35. Workers' Compensation Not Affected.

The coverage provided under this Certificate is not in lieu of and does not affect any requirements for coverage by workers' compensation insurance or law.

36. Your Medical Records and Reports.

In order to provide Your coverage under this Certificate, it may be necessary for Us to obtain Your medical records and information from Providers who treated You. Our actions to provide that coverage include processing Your claims, reviewing Grievances, Appeals, or complaints involving Your care, and quality assurance reviews of Your care, whether based on a specific complaint or a routine audit of randomly selected cases. By accepting coverage under this Certificate, except as prohibited by state or federal law, You automatically give Us or Our designee permission to obtain and use Your medical records for those purposes and You authorize each and every Provider who renders services to You to:

- Disclose all facts pertaining to Your care, treatment, and physical condition to Us or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim, or in connection with a complaint or quality of care review;
- Render reports pertaining to Your care, treatment, and physical condition to Us, or to a medical, dental, or mental health professional that We may engage to assist Us in reviewing a treatment or claim; and
- Permit copying of Your medical records by Us.

We agree to maintain Your medical information in accordance with state and federal confidentiality requirements. However, to the extent permitted under state or federal law, You automatically give Us permission to share Your information with the New York State Department of Health, quality oversight organizations, and third parties with which We contract to assist Us in administering this Certificate, so long as they also agree to maintain the information in accordance with state and federal confidentiality requirements.

RIDER FOR INTER-PLAN ARRANGEMENTS DISCLOSURE

Issued by

EXCELLUS HEALTH PLAN, INC.
A nonprofit independent licensee of the BlueCross BlueShield Association

This Rider explains your liability for certain benefits covered under your Contract, Certificate or Group Health Plan (collectively "Health Plan"). All of the terms, conditions and limitations of the Health Plan to which this Rider is attached also apply to this Rider, except where they are specifically changed by this Rider.

Out-of-Area Services. We have a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area We serve, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of Our Service Area, you will receive it from one of two kinds of providers. Most providers ("Participating Providers" or "In-Network Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some providers (Nonparticipating Providers" or "Out-of-Network Providers") do not contract with the Host Blue. We explain below how We pay both kinds of providers.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for dental care benefits other than those paid as medical claims/benefits, and those prescription drug benefits or vision care benefits that may be administered by a third party contracted by Us to provide the specific service or services.

1. **BlueCard® Program.** Under the BlueCard® Program, when you receive covered healthcare services within the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating/In-Network Providers.
   When you receive covered healthcare services outside Our Service Area and the claim is processed through the BlueCard Program, the amount you pay for covered healthcare services is calculated based on the lower of:

   A. The provider's billed covered charges for your covered services; or

   B. The negotiated price that the Host Blue makes available to Us. This negotiated price will be

one of the following:

(1) Often, a simple discount that reflects an actual price that the Host Blue pays to your provider;

(2) Sometimes, an estimated price that takes into account special arrangements with your provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges; or

(3) Occasionally, an average price based on a discount that results in expected average savings for similar types of providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price We have used for your claim because they will not be applied after a claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, We will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

2. **Calculation of Member Liability for Services of Non-Participating/Out-of-Network Providers outside Our Service Area.** The Allowable Expense definition in your Health Plan, as amended from time-to-time, describes how Our payment (the "Allowable Expense") for covered services of Non-Participating/Out-of-Network Providers outside Our Service Area is calculated. The Allowable Expense may be based upon the amount provided to Us by the Host Blue or the payment We would make to Non-Participating/Out-of-Network Providers inside Our Service Area. Regardless of how the Allowable Expense is calculated, you will be liable for the amount, if any, by which the provider's actual charge exceeds the Allowable Expense, in addition to any other cost sharing amounts (Deductible, Copayment or Coinsurance) required by your Health Plan.

3. **BlueCard® Program Special Cases: Value-Based Programs.** If you receive covered healthcare services under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are part of such an arrangement, except when a Host Blue passes these fees to Us through average pricing or fee schedule adjustments. Additional information is available upon request.

4. **Blue Cross Blue Shield Global Core**. If you are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard service area"), you may be able to take advantage of BCBS Global Core when accessing covered healthcare services. BCBS Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although BCBS Global Core assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the BlueCard service area, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the BlueCard service area, you should call the BCBS Global Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

A. In most cases, if you contact the BCBS Global Core service center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-sharing amounts. In such cases, the hospital will submit your claims to BCBS Global Core service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for covered healthcare services. You must contact Us to obtain precertification for non-emergency inpatient services.

B. Physicians, urgent care centers and other outpatient providers located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for covered healthcare services.

C. When you pay for covered healthcare services outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a BCBS Global Core claim form and send the claim form with the provider's itemized bill(s) to the BCBS Global Core service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available for Us, the BCBS Global Core service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the BCBS Global Core service center at 1.800.810.BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

5. **BlueCard® Program Ancillary Services.** Under the BlueCard® Program, when you access certain covered ancillary services (Laboratory, Durable Medical Equipment, or Specialty Pharmacy) within the geographic area ("Service Area") of a Host Blue, the provider may or may not be a Participating/In-Network Provider under the Host Blue's contracting arrangement. If the provider is a Participating/In-Network Provider, you will be responsible for the cost-sharing that applies to Participating/In-Network Providers. The provider is Participating/In-Network, and the Host Blue provider contracting arrangement applies, if:

A. the Laboratory specimen is drawn at a location within the Host Blue's Service Area;

B. the Durable Medical Equipment (DME) is shipped to an address or purchased at a retail store located in the Host Blue's Service Area; or

C. the Physician prescribing an order for a Specialty Pharmacy is located in the Host Blue's Service Area.

Otherwise, the Host Blue provider contracting arrangement does not apply, and the provider is considered Non-Participating/Out-of-Network for the ancillary service. In that case, in addition

to any cost-sharing that may apply to Non-Participating/Out-of-Network Providers, you may be responsible to the provider for the balance of the provider's charge.

Uses and Disclosures of Medical Information

The following categories describe different purposes for which we use and disclose PHI. For each category of uses or disclosures we will explain what we mean and try to give some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories. Breach of Unsecured Information: We are required to notify you if there is any acquisition, access,

use, or disclosure of your unsecured PHI that compromises the security or privacy of your PHI.

Psychotherapy Information: Should it be applicable that your psychotherapy notes be included in an appropriate use or disclosure of information, in most instances, we are required to obtain your authorization for the release of this information.

Individual Rights

Access: You have the right to inspect and/or copy your PHI, with limited exceptions such as information a licensed health care professional, exercising professional judgment, determines that providing access is reasonably likely to endanger the life, physical safety or cause someone substantial harm. If you request copies, we reserve the right to charge you a reasonable fee for each copy, plus postage if the copies are mailed to you. You may contact us using the telephone number on the back of your member card to obtain a form to be completed and returned to us.

Disclosure Accounting: You have the right to receive a list of instances in which we or our business associates disclosed your PHI. The list will not include disclosures we made for the purpose of treatment, payment, healthcare operations, disclosures made with your authorization, or certain other disclosures. The request may not exceed a six year time period. We will provide you with the date on which we made the disclosure, the name of the person or entity to whom we disclosed your PHI, a description of the PHI we disclosed and the reason for the disclosure. If you request this list more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. To request a disclosure accounting you may contact us using the telephone number on the back of your member card to obtain a form to be completed and returned to us.

Restriction Requests: You have the right to request that we place additional restrictions on our use or disclosure of your PHI. As permitted by law, we will not honor these requests, as it prohibits us from administering your benefits.

Confidential Communication: You have the right to request that we communicate with you confidentially about your PHI. We will honor a request to communicate to an alternative location if you believe you would be endangered if we do not communicate to the alternative location. We must accommodate your request if it is reasonable and specifies the alternative location. To request a form to be completed and returned to us, you may contact us using the telephone number on the back of your member card.

Amendment: You have the right to request that we amend your PHI. Your request must be in writing, and it must explain why the information should be amended. We may deny your request if we did not create the information you want amended or if we determine the information is accurate. If we accept your request to amend the information, we will make reasonable efforts to inform others, including people you name, of the amendment and to include the changes in any future disclosures of that information. If we deny your request, we will provide you with a written explanation. You may respond with a statement of disagreement that will be attached to the information you wanted amended. You may contact us using the telephone number on the back of your member card to obtain a form to be completed and returned to us.
